Aftermath An Oral History Of Violence Paperback:

Handbook of Global Oral History, 2025-10-30 The Handbook of Global Oral History inspires the reader to be more open in their conception of what oral history is and how it is applied within a variety of disciplines to unlock meaning in human experience The book brings together scholars from around the world in the areas ranging from memory studies Indigenous history and journalism to anthropology trauma and archival studies Their essays provide fresh theoretical insights to the field of oral history and broaden current notions of how oral history fieldwork can be applied and how archived interviews can be interpreted Contributors N pia Mahuika John Waiko David Carey Jan Jansen Dr Sumallya Mukhopadhyay Pothiti Hantzaroula Dr Nompilo C Ndlovu Nadia Jones Gailani Denise Phillips Verena Lucia N gel Alexander Prenninger Alejandro Castillejo Cu llar Vannessa Hearman Nanci Adler Alexander Freund Sofia Bach Claudia Dueck Jeff Sahadeo Mark Cave Anahi Naranjo Jara Kate Darian Smith Carla Pascoe Leahy Dr Deb Anderson Dr Nicolette Snowden Pilar Ria o Alcal Jeff Friedman Naomi Frost Steven High Dr Tomoyo Nakao Selma Leydesdorff Dori Laub Yasmin Saikia Stephen M Sloan Melissa M Sloan Sean Field **Unsilencing** Lilia Topouzova, 2025-07-15 Unsilencing provides the first comprehensive study of Bulgaria s forced labor camps a network of repression that operated throughout the communist era from 1945 to 1989 Lilia Topouzova uncovers the hidden histories of these camps often referred to as Bulgaria s Little Siberia where thousands were interned without trial subjected to inhumane conditions and silenced for decades Drawing on two decades of archival research oral history interviews with survivors and perpetrators and an array of primary sources Topouzova reconstructs the harrowing reality of life behind barbed wire She explores how the communist regime systematically used these camps to suppress dissent target minority groups and instill fear across the population Unsilencing presents detailed accounts of key sites like the Belene and Lovech camps revealing the brutalities endured by prisoners and the lasting scars these places left on Bulgarian society More than a historical recounting Unsilencing examines the post 1989 period and how Bulgaria has grappled or often failed to grapple with its recent past Topouzova assesses the country s efforts at transitional justice including the short lived truth commission and trials that sought to hold perpetrators accountable She argues that the legacy of the gulag has been largely forgotten and deliberately obscured leaving a vacuum in Bulgaria s collective memory that continues to affect its society and politics today **A Companion to Public History** David M. Dean, 2018-07-30 An authoritative overview of the developing field of public history reflecting theory and practice around the globe This unique reference guides readers through this relatively new field of historical inquiry exploring the varieties and forms of public history its relationship with popular history and the ways in which the field has evolved internationally over the past thirty years Comprised of thirty four essays written by a group of leading international scholars and public history practitioners the work not only introduces readers to the latest scholarly academic research but also to the practice and pedagogy of public history It pays equal attention to the emergence of public history as a distinct field of historical inquiry in North America the

importance of popular history and history from below in Europe and European colonial settler states and forms of historical consciousness in non Western countries and peoples It also provides a timely guide to the state of the discipline and offers an innovative and unprecedented engagement with methodological and theoretical problems associated with public history Generously illustrated throughout The Companion to Public History s chapters are written from a variety of perspectives by contributors from all continents and from a wide variety of backgrounds disciplines and experiences It is an excellent source for getting readers to think about history in the public realm and how present day concerns shape the ways in which we engage with and represent the past Cutting edge companion volume for a developing area of study Comprises 36 essays by leading authorities on all aspects of public history around the world Reflects different national regional interpretations of public history Offers some essays in teachable forms an interview a roundtable discussion a document analysis a photo essay Covers a full range of public history practice including museums archives memorial sites as well as historical fiction theatre re enactment societies and digital gaming Discusses the continuing challenges presented by history within our broad collective memory including museum controversies repatriation issues textbook wars and commissions for Truth and Reconciliation The Companion is intended for senior undergraduate students and graduate students in the rapidly growing field of public history and will appeal to those teaching public history or who wish to introduce a public history dimension to their courses

Linguistics and Oral History

Chris Fitzgerald,2025-08-21 This edited volume brings together linguistic and oral history practitioners to explore the intersections between both disciplines This book is comprised of contributions from linguists corpus linguists sociolinguists dialectologists and second language acquisition experts to present how they investigate oral history texts from a linguistic perspective as well as contributions from oral history practitioners who focus on language related aspects of their subject In presenting perspectives from both disciplines this book exposes the synergies that exist between oral history and linguistics including methodological parallels in constructing and analysing written transcriptions of spoken events analytical approaches to determining salient themes and linguistic items relevant theoretical perspectives that frame discourse practices in oral histories and the practical considerations facing researchers when investigating large samples of spoken discourse This book shows that oral historians and linguists are often doing the same things in different ways and makes the case for more collaboration between the disciplines to promote exchange of ideas efficiency of practice and reciprocal progression

Memory, Nationalism, and Narrative in Contemporary South Asia

J. Edward Mallot,2012-09-25 This book investigates the ambivalent responses to the opposing compulsions of memory and forgetting in cultural production in South Asia Mallot reveals how writers such as Salman Rushdie Michael Ondaatje and Amitav Ghosh indict nationalism s sins by accessing and encoding the past
