Battle Against Exclusion Social Abistance In Canada And Switzerland

PT Brinkman

Battle Against Exclusion Social Assistance In Canada And Switzerland:

The Battle against Exclusion Social Assistance in Canada and Switzerland OECD,1999-10-20 This book compares social assistance policies in four Canadian provinces Alberta New Brunswick Ontario and Saskatchewan and four Swiss cantons Graubünden Ticino Vaud and Zürich

The Battle Against Exclusion ,1999 Counting the Poor Douglas J. Besharov,Kenneth A. Couch,2012-07-05 With contributions from the world's foremost authorities on social measurement this volume promises to be the definitive reference for poverty researchers and policymakers seeking to disengage politics from measurement

Canadian Social Policy Anne Westhues,2006 What are the major issues confronting social policy makers today What theoretical perspectives shape our thinking about the causes of social problems and how we should respond What can we do to influence decision makers about which policy choice to make In this completely revised and updated edition of Canadian Social Policy a new generation of social policy analysts discusses these important questions Readers who are interested in discovering the current policy debates and who want to understand the policy making process at various levels of government as well as how they can influence the process and assess whether policies are working will find this book invaluable

Poverty in Canada Dennis Raphael,2020-08-28 Now in its third edition this comprehensive text provides an in depth examination of poverty and its impact on the health and quality of life of Canadians Considering a broad range of topics Dennis Raphael covers the central issues of defining and measuring poverty situational and societal causes of poverty health and social implications for individuals communities and society as a whole and the means of reducing poverty's incidence through public policy action Poverty in Canada will foster greater insight into the repercussions of poverty throughout society encouraging readers to reflect on provocative questions at the end of each chapter Well updated to reflect current statistics and recent public policy changes this new edition explores why specific groups of Canadians are over represented amongst those living in poverty and provides a more developed analysis of the barriers to reducing poverty including economic globalization and the increased power and influence of the corporate sector under neo liberalism Emphasizing the lived experiences of poverty this interdisciplinary volume is a valuable resource to those studying or working in health studies social work sociology and equity studies

Social Policy and Poverty in East Asia James Midgley,Kwong Leung Tang,2009-09-11 This book looks at the role of social policy and particularly social security in addressing the ongoing challenge of poverty in East Asia despite the region's spectacular experience of economic growth in recent decades The East Asian miracle resulted over the last four decades in a transformation of the region's traditional agrarian economies and significant increases in standards of living for many ordinary people Even though it was given little attention poverty has remained an ongoing problem The problem became particularly evident however with the Asian financial crisis of 1997 when many low income and middle class workers became unemployed As a result of this crisis the need for effective social policies and social security programs were recognized The idea that economic growth would solve

the problem of poverty was increasingly challenged Even in China today where rapid growth has created new employment opportunities and the promise of prosperity for many the government has recognized that the problem of poverty cannot be addressed only through economic growth but that comprehensive social policies must be formulated and this includes the development of an effective security system **Labour Market and Social Policies in Romania** OECD,2000-06-14 This book analyses the issues of labour market and social policy in Romania through an economic perspective while providing diverse international comparisons F. A. Hayek and the Modern Economy S. Peart,D. Levy,2013-12-10 What is the role of human agency in Friedrich Hayek s thought This volume situates Hayek s writing as it relates to economic organization and activity particularly to assess what role Hayek assigns to leaders in determining economic progress **A Canadian Priorities Agenda** France St-Hilaire,Christopher T. S. Ragan,Jeremy Leonard,2007 Rising income inequality has been at the forefront of public debate in Canada in recent years yet there is still much to learn about the economic forces driving the distribution of earnings and income in this country and how they might evolve in the future With research showing that the tax and transfer system is losing the ability to counteract income disparity the need for policy makers to understand the factors at play is all the more urgent Income Inequality provides a comprehensive review of Canadian inequality trends including changing earnings and income dynamics among the middle class and top earners wage and job polarization across provinces and persistent poverty among vulnerable groups The Institute for Research on Public Policy IRPP in collaboration with the Canadian Labour Market and Skills Researcher Network CLSRN presents new evidence by some of the country s leading experts on the impact of skills and education unionization and labour relations laws as well as the complex interplay of redistributive policies and politics over time Amid growing anxieties about the economic prospects of the middle class Income Inequality will serve to inform the public discourse on inequality an issue that ultimately concerns all Canadians

The Canadian Century Brian Lee Crowley Jason Clemens Niels Veldhuis,2013-02 One hundred years ago a great Canadian Sir Wilfrid Laurier predicted that the twentieth century would belong to Canada He had a plan to make it so What happened Canada lost sight of Laurier s plan and failed to claim its century dwelling instead in the long shadow of the United States No more Co authors Brian Crowley Jason Clemens and Niels Veldhuis envision Canada s emergence as an economic and social power They argue while the United States was busy precipitating a global economic disaster Canada was on a path that could lead it into an era of unprecedented prosperity It won t be easy We must be prepared to follow through on reforms enacted and complete the work already begun If so Canada will become the country that Laurier foretold a land of work for all who want it of opportunity investment innovation and prosperity Laurier said that the twentieth century belonged to Canada He was absolutely right he was merely off by 100 years
