After Darkness Light:

Post Tenebras Lux Paul Cox, 2017-04-01 *After Darkness, Light* Robert Craig Sproul, 2004-09 The five points of Calvinism and five solas of the Reformation are hallmarks of a Reformed understanding of Scripture In this refreshing exploration of those truths ten prominent contributors pay tribute to R C Sproul whose name is virtually synonymous with these treasured Reformed distinctives The slogan *Post Tenebras Lux* *After Darkness Light* described the dawn of a new era of understanding in the church during the Protestant Reformation Today that same light of Scripture calls us out of the darkness of false teaching and misguided practice to a renewed apprehension of our glorious sovereign Savior Book jacket

I Want to Escape Rush Witt, 2022-09-26 When life overwhelms it s natural to try to get away Even though we have many good reasons for trying to escape as Christians we have even better reasons to depend courageously on our Savior in the ups and downs of life

Straight Into Darkness Megan Volpert, 2022-09-01 As Megan Volpert stood over train tracks preparing to surrender to the psychedelic blindness of simple human misery of all the Heartbreakers tracks available to come through her headphones *Straight Into Darkness* is the one that did In this highly philosophical and deeply personal exploration of one obscure Tom Petty song Volpert s essays comb through the musical historical rhetorical and sociological implications of a forgotten gem in a legendary catalog with satisfying results Through this epic celebration of the fortieth anniversary of the *Long After Dark* album Petty and Volpert each emerge as modern mystics who argue that in the face of powerlessness we rebel anyway Volpert judges the forty years of Petty s career with one finger on the pulse of Bob Dylan and an occasional whiff of Bruce Springsteen looking at the sometimes violent mob scene of concerts as a type of transcendent communion *Straight Into Darkness* offers a compelling vision of rock and roll fandom where the songwriter s hardworking sense of humor is enough to save us from absurdity All you need is Albert Camus and a couple of chords **Toward a**
