Latayne Colvett Scott

After Mormonism What Reclaiming The Ex Mormons Worldview For Christ:

The Mormon Mirage Latayne C. Scott, 2009 Three decades after leaving the Mormon faith Latayne Colvett Scott looks back to her original journey out of Mormonism and the reasons why she left Revised and updated this third edition of The Mormon Mirage presents both a fascinating inside look at Mormonism and new and formidable evidence against its claims and teachings

Leaving Mormonism Corey Miller, Lynn K. Wilder, 2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens

Bearing False Witness? Douglas E. Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah's Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In Bearing False Witness R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult's early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important

After Mormonism, What? Latayne Colvett Scott, 1994 *Books in Print Supplement*, 2002

Fundamentalisms and Society Martin E. Marty, R. Scott Appleby, 1997-01-05 The Fundamentalism Project Edited by Martin E Marty and R Scott Appleby Around the world fundamentalist movements are profoundly affecting the way we live Misinformation and misperception about fundamentalism exacerbate conflicts at home and abroad Yet policymakers journalists students and others have lacked any comprehensive resource on the explosive phenomenon of fundamentalism Now the Fundamentalism Project has assembled an international team of scholars for a multivolume assessment of the history scope sources character and impact of fundamentalist movements within the world's major religious traditions Fundamentalisms and Society shows how fundamentalist movements have influenced human relations education women's rights and scientific research in over a dozen nations and within the traditions of Islam Judaism Christianity Buddhism and Hinduism Drawn from the fields of anthropology sociology history of religion and history of science the contributors cover topics such as the educational structures of Hindu revivalism women in fundamentalist Iran and Pakistan and the creationist cosmos of Protestant fundamentalism In a concluding essay William H McNeill situates contemporary fundamentalisms within a world historical context The Fundamentalism Project Volume 2 Martin E Marty and R Scott Appleby direct the Fundamentalism Project Marty the Fairfax M Cone Distinguished Service Professor of the History of Modern Christianity at the University of Chicago is the senior editor of the Christian Century and the author of numerous books including the multivolume Modern American Religion also published by the University of Chicago Press Appleby a research associate at the University of Chicago is the author of Church and Age Unite The Modernist Impulse in American Catholicism

Fundamentalisms and Society Martin E. Marty, R. Scott Appleby, 1993-03-15 A systematic overview of the advances made by antiseccular religious movements over the past twenty five years and showing the impact these movements have had on human relations education women's rights and scientific research Publisher *Jesus Without Joseph: Following Christ After Leaving Mormonism: A Study Guide* Ross J. Anderson, 2015-07-10 Many people have left the Church of Jesus Christ of Latter day Saints to pursue the historic biblical Christian faith The title of this workbook is a reference to the choice many have made to follow Jesus alone in place of the authority of Mormonism and its founder Yet the distinctive aspects of Mormon culture and church life make it challenging for former Latter day Saints to become fully integrated into a traditional Christian church Like immigrants leaving their homeland to come to a new world they must negotiate a confusing journey into a new cultural setting To establish a new identity with a new church body the ex Mormon must develop a new worldview new roots new stories new assumptions new perspectives new values and new symbols He or she must adapt to a myriad of perplexing new customs and practices in the life of the local church The lessons in this study guide are designed to provide a map for the journey They should help former Mormons navigate through the differences in culture as well as through the emotional issues The goal is to provide a positive trajectory toward a healthy new life as part of a Christian church The content is based in part on the author's own experiences as an ex Mormon and as a pastor in Utah for over 35 years It also draws on extensive

research identifying the factors that most commonly help or hinder former Latter day Saints from connecting with a new congregation The study and interaction facilitated by this workbook will lead many former Latter day Saints to greater peace and confidence in their faith journey and to a deeply satisfying relationship not only with Jesus Christ but also with a new faith community

Out of Mormonism Judy Robertson,2011-07-01 Judy Robertson shares her unique insider s viewpoint as a woman in the Mormon church After she and her husband rediscovered God s truth they faced torment and persecution upon leaving the LDS church This reader friendly book is one of the few Christian books that focuses first on an individual s journey from Mormonism rather than on theology or Christian doctrines The revised edition includes testimonies of others who have left the Mormon church and what God is doing today through Concerned Christians Readers will find Out of Mormonism a useful resource for understanding and witnessing to friends and family in the LDS church

Confessions of an Ex-Mormon Tracy Tennant,2017-03 Helpful guide for those leaving Mormonism and embracing biblical Christianity The author addresses the six most common mistakes disaffected members of the LDS Church make that lead to broken relationships misunderstandings and rejection The book offers readers practical suggestions on how to navigate out of Mormonism with hope and purpose
