Timothy Shay Arthur

After A Shadow:

After a Shadow T. S. Arthur, 2017-11-22 ARTY Arty called Mrs Mayflower from the window one bright June morning Arty darling What is the child after Just look at him Mr Mayflower I leaned from the window in pleasant excitement to see what new and wonderful performance had been attempted by my little prodigy my first born my year old bud of beauty the folded leaves in whose bosom were just beginning to loosen themselves and send out upon the air sweet intimations of an abounding fragrance He had escaped from his nurse and was running off in the clear sunshine the slant rays of which threw a long shadow before him Arty darling His mother s voice flew along and past his ear kissing it in gentle remonstrance as it went by But baby was in eager pursuit of something and the call if heard was unheeded His eyes were opening world ward and every new phenomenon commonplace and unheeded by us that addressed itself to his senses became a wonder and a delight Some new object was drawing him away from the loving heart and protecting arm Run after him Mr Mayflower said my wife with a touch of anxiety in her voice He might fall and hurt himself I did not require a second intimation as to my duty in the case Only a moment or two elapsed before I was on the pavement and making rapid approaches towards my truant boy What is it darling What is Arty running after I said as I laid my hand on his arm and checked his eager speed He struggled a moment and then stood still stooping forward for something on the ground
