Against Great Odds Glenita Rosebery, 1995-01-01 **(Not So) Simple Lyrics** Claudia Burgoa, 2025-12-30 First book of the Heartbreak Mixtapes **Rogue Watcher: Book 2 of the Second Moon Trilogy** Jon Fischer, 2023-12-07 Earth is not the only planet with intelligent human life For many millennia advanced humans from Completed Worlds have monitored the technological development of humans on other less advanced planets across the universe including Earth Each Developing World always has five Watchers from Completed Worlds who are assigned to live on the planet and monitor its progress The Watchers work under the strict direction of a Universal MAXIM to anonymously observe and report and never interfere with the native humans Earth was Developing at a great pace until a band of Universal terrorists known as Takers damaged the Earth with large asteroids flooding the planet and killing nearly all its population The largest asteroid in the attack was miraculously caught into the Earth's orbit becoming a second moon Rogue Watcher the next installment of the Second Moon Trilogy picks up where Alpine Tide left off The stakes are higher than ever as eighteen year old Miriam Madsen and her fellow survivors face new threats from across the Universe To avoid their certain destruction Watcher 3 of Earth known locally as Spence will stop at no length to protect Miriam the woman he loves even if it means going rogue Explore the Second Moon Trilogy online at www.secondmoontrilogy.com for exclusive content author commentary and a sneak peek into the last installment of the trilogy **Contemporary Country** Chris Woodstra, John Bush, Stephen Thomas Erlewine, 2008 Reference The only guide available that focuses exclusively on this massively popular category this comprehensive guide to country music of the last 25 years includes nearly 500 reviews plus bios and histories featuring artists from Willie Nelson to Kenny Chesney **Against All Odds** Funké Michaels, 2011-07-25 In fulfillment of an old Dahomeyan prophecy the 7th generation of the lineage must return to the place of ancestral birth to the beginning of an uneasy journey Nearly two centuries later the Anchor who is the 7th Amazon must respond to that internal call despite the rigorous demands of modern living To find her own place she must complete the cycle of her mothers and make an oar for the next generation AGAINST ALL ODDS is the tale of 7 generations of a royal line whose strong women stand their ground defying social norms and tribal stereotypes defending forbidden love and unwittingly fulfilling the predictions of the ancient oracle This fictional biography takes flight from the pre colonial campaigns of the Amazons of Dahomey female warriors whose codes defined a matriarchal society through the years of slavery in the Americas leading to the Abolition and subsequent return into unfolding socio economic drama and evolving religious beliefs all the way to the harsh realities of modern day West Africa Written with a poetic tone this book will take you on a journey across the many cultures and different experiences that come together to define today's African , **Absolutely Nothing** Darielys Tejera, 2009-06-04 The purpose of this book is to give hope to those going through the same situation as Ms Tejera once did To put out something in which people can relate to to have others be aware that suicide does occur it does happen and no one is alone in it Some people have gifts while others

have to find their meaning I realized my gifts and found my purpose which was to help someone else There for I decided to write this book I think that is why we are all here the purpose we serve in our life through some time or another through some way shape or form is to save someone else whether you know it or not *Betweener Autoethnographies* Marcelo Diversi, Claudio Moreira, 2018-04-17 How do we persuade people that we all have common experiences and hopes That we are ever more dependent on each other in times of globalization via technology commerce climate change and overpopulation How do we move from an Us and Them mentality to simply Us In this book a follow up to their first book *Betweener Talk* the authors share autoethnographies about being and doing scholarship as betweeners searching for inclusivity The authors have witnessed an escalation of division in their native Brazil and in the USA as well as in South America more broadly and Europe places that had been making steady albeit slow progress toward greater inclusion The book explores identity interactions existence and possibilities in the spaces between Us and Them to help current and future generations imagine a more inclusive way of living as Us It is about how two Third World scholars think the Postcolonial Decolonizing discourse with a performance studies lens can further notions of inclusive social justice through scholarship borne out of lived oppression and the struggle for humanization It is a union of two authors who in their own words have been close friends since our youth both captivated by Paulo Freire s notion of education and social transformation through a praxis of conscientiza o conscientization but who experienced life growing up at opposite ends of the social class spectrum Early through love and later through theory we have come to viscerally inhabit and embrace our betweener identities in scholarship and daily lives breaking the distance between us and the paradigms that attempt to separate political personal and professional life The authors hope is that their own and other betweener autoethnographies can contribute to the larger qualitative inquiry global movement and its central goal marching together toward ever greater social justice *Of Bygone Times* Pasquale De Marco, 2025-08-15 In the vast expanse of time there lies a realm of forgotten tales a world of lost civilizations and untold stories *Of Bygone Times* is an enthralling journey through the annals of history unveiling the mysteries and marvels of eras long gone Step into the labyrinth of time and uncover the secrets of ancient manuscripts decipher the enigmas of forgotten inscriptions and explore the ruins and artifacts that whisper of civilizations past Discover the allure of bygone eras the echoes of forgotten empires and the timeless lessons that history holds for us today Immerse yourself in the tapestry of cultures where diverse civilizations intertwine creating a vibrant symphony of languages traditions and artistic expressions Delve into the chronicles of power and politics navigating the treacherous waters of court intrigue and diplomatic tensions and witness the rise and fall of leaders who shaped the course of history Unveil the forgotten heroes of old unsung warriors whose deeds of valor reverberate through the ages and encounter legendary figures whose names have faded from memory Be inspired by their resilience their unwavering determination and the timeless principles they embodied Journey into the realm of love and loss where epic romances unfold hearts intertwine and destinies collide

Man of the House Chinedu Nnadi,2025-08-11 Ken had always taken pride in being the provider A devoted husband A loving father A man who never let his family feel the weight of the world even when it crushed him silently For eight years he carried it all asking for nothing Megan his beautiful wife never paid a bill never offered to help But she had no trouble spending designer clothes spa getaways nights out with friends Ken let it slide because love meant sacrifice Until the day everything changed Laid off without warning Ken watched his savings disappear When he finally turned to Megan for help her words struck like a blade You re the man of the house Figure it out Her cruelty escalated as he struggled to survive working odd jobs and borrowing money just to keep the lights on Humiliated and broken Ken reached his limit But when opportunity returned Ken didn t shout it from the rooftops he vanished With his daughter by his side and a new life in place he left behind the woman who had once sworn forever Now Megan wants him back But what happens when the man you took for granted becomes the man you can t reach A gripping tale of emotional betrayal quiet revenge and a man who rises from rock bottom to reclaim his power This time he s not saving the house He s saving himself
