Bathsheba Connection:

Bathsheba Survives Sara M. Koenig, 2018-11-15 A portrait of a biblical woman seen through the centuries as everything from adviser to temptress to victim Bathsheba is a mysterious and enigmatic figure who appears in only seventy six verses of the Bible and whose story is riddled with gaps But this seemingly minor female character who plays a critical role in King David s story has survived through the ages and her afterlife in the history of interpretation is rich and extensive In Bathsheba Survives Sara M Koenig traces Bathsheba s reception throughout history and in various genres demonstrating how she has been characterized on the spectrum from helpless victim to unscrupulous seductress Early Jewish interpretations Koenig argues highlight Bathsheba s role as Solomon s mother and adviser while texts from the patristic era view her as a type of sinful flesh of the law or of the gentile church Works from the medieval period depict Bathsheba as a seductress who wants to tempt David with art embellishing her nudity while reformers such as Luther and Calvin treated Bathsheba in a generally critical light as indiscreet and perhaps even devious During the Enlightenment period Koenig claims Bathsheba was most frequently discussed in commentaries that used historical critical methods to explain her character and her actions Koenig then demonstrates how Bathsheba is understood in today s popular media as both seductress and victim being featured in novels films and in music from such artists as Leonard Cohen and Sting The minor enigmatic biblical character Bathsheba Koenig writes has survived through time by those who have received her and spoken about her in varying ways Though she disappears from the biblical text she resurfaces in thought and study and will continue to survive in the centuries to come

On Prophets, Warriors, and Kings George J. Brooke, Ariel Feldman, 2016-05-10 While recent decades have seen a plethora of studies exploring the complex processes that shaped biblical books traditionally designated as Prophets much remains to be done in order to uncover the rich history of their interpretation throughout the ages This collection of essays aims at filling this gap by exploring different aspects of the exegesis of the Former and Latter Prophets in contexts both ancient and modern Jewish and Christian From the inner biblical interpretation of the Prophets to the Dead Sea Scrolls Apocrypha and Pseudepigrapha the New Testament Patristic writings and contemporary rhetoric this volume sheds light on how key figures in those books were read and understood by both ancient and not so ancient readers

Risky Relationships Dane Cunningham, 2004-10 Have you ever made a bad choice in a relationship Why do some of our family members have a hard time relating to us Are the problems that exist between you and your colleagues at work your fault or theirs Why do some single people want to be married and some married people want to be single Risky Relationships will inspire you to look at all types of relationships from a biblical perspective It will illustrate that if your horizontal relationships with others are not contingent on your vertical relationship with God they will be at risk of failure We will see that our relationships will be successful as long as they line up with God and His divine purpose for our lives

Bathsheba's Breast James S. Olson, 2021-04-27 An absorbing and unsettling history of breast cancer told through the stories of women who have

confronted it from ancient times to the present A Los Angeles Times Best Book of the Year In 1967 an Italian surgeon touring Amsterdam's Rijks museum stopped in front of Rembrandt's Bathsheba at Her Bath and noticed an asymmetry to Bathsheba's left breast it seemed distended swollen near the armpit discolored and marked with a distinctive pitting The physician learned that Rembrandt's model Hendrickje Stoffels later died after a long illness He conjectured that the cause of her death was almost certainly breast cancer In Bathsheba's Breast James S Olson traces the history of breast cancer through women's experiences of the disease across epochs and continents The stories range from the sixth century Byzantine empress Theodora who chose to die rather than lose her breast to Dr Jerri Nielson who was evacuated from the South Pole in 1999 after performing a biopsy on her own breast and self-administering chemotherapy Olson explores every facet of the disease medicine's evolving understanding of its pathology and treatment options its cultural significance the political and economic logic that has dictated the terms of a war on a woman's disease and the rise of patient activism An invaluable aid to those breast cancer survivors with an interest in taking the long view of their illness Nick Owchar Los Angeles Times

The Colonization of Land in Matthew's Gospel Maziel Barreto Dani, 2024-08-19 In *The Colonization of Land in Matthew's Gospel* Maziel Barreto Dani proposes that land is constructed as a colonized and subjugated entity Traditional scholarship claims that the Gospel of Matthew is detached from spatial territorial discussions and that geographical land concerns are displaced with Christology Dani however reinterprets multiple implicit and explicit references to land in the Gospel to show continuity rather than discontinuity with the Hebrew Bible's concerns with material land promises She does so by engaging the Gospel within its broader Roman Hellenistic and Jewish contexts where the theme of land possession is pervasive Central to the Gospel and the imperial contexts from which it emerges are contestations over the land and proclamations to whom the land belongs Dani argues that while Judea and neighboring lands are under the firm

control of Roman imperial power during the first century CE Matthew's Gospel envisions Rome's demise and the control of land being transferred to an alternative empire governed by the sovereign rule of God Though God liberates the land from Rome's oppressive grasp and restores land promises to the righteous poor at Jesus' return the land fails to escape colonial control That is the world while relinquished from Roman hegemony is reasserted under God's power and domination In arguing that Matthew's Gospel employs an imperializing agenda involving land reclamation the Gospel may be a source for validating and justifying the modern colonization of foreign and occupied land under the guise of God's purposes The Colonization of Land in Matthew's Gospel challenges colonial ideologies which oppress not only peoples but the lands which they inhabit

Connections: A Lectionary Commentary for Preaching and Worship Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2020-04-14 Designed to empower preachers as they lead congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations' experience of worship Connections is published in partnership with Austin Presbyterian Theological Seminary

[The Bathsheba Connection](#) Ruth Walter, 2000-05 In the ancient Marais section of Paris a petty gangster is brutally murdered His wife the beautiful model Veronique has disappeared along with a mysterious bronze statue of Bathsheba Goldie an inquisitive retired New York City teacher discovers the body Determined to find her missing friend she becomes entangled in a series of murders Her search leads her into the worlds of art and fashion and into sinister corners of the City of Lights Russian gangsters and other unsavory characters pursue her in the belief that she knows where the statue is hidden She is hounded by the bumbling inspector Potiron and helped by Boris the husband of her old friend the painter Maxie But is he truly her ally or is he her enemy Why are so many people obsessed with the statue Thanks so much for The Bathsheba Connection It made me laugh aloud The heroine has such a wonderful voice Diane Johnson best selling author of *Le Divorce*

[The Understanding of Adultery in the Hebrew Bible](#) Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its

meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples **Connections** Debbi M Hinton,2021-02-02 IF you think the bible is boring and irrelevant this study is for you I have shared many interesting facts that will make you think As you study I pray that God will bless you and give you new insights into HIS WORD
