Beyond the Black Power Salute Gregory J. Kaliss, 2023-04-18 Unequal opportunity sparked Jim Brown's endeavors to encourage Black development while Billie Jean King fought so that women tennis players could earn more money and enjoy greater freedom Gregory J. Kaliss examines these events and others to guide readers through the unprecedented wave of protest that swept sports in the 1960s and 1970s The little known story of the University of Wyoming football players suspended for their activism highlights an analysis of protests by college athletes The 1971 Muhammad Ali Joe Frazier clash provides a high profile example of the Black male athlete's effort to redefine Black masculinity An in depth look at the American Basketball Association reveals a league that put Black culture front and center with its style of play and shows how the ABA influenced the development of hip hop As Kaliss describes the breakthroughs achieved by these athletes he also explores the barriers that remained and in some cases remain today *No Slam Dunk* Cheryl Cooky, Michael A.

Messner, 2018-05-30 In just a few decades sport has undergone a radical gender transformation However Cheryl Cooky and Michael A. Messner suggest that the progress toward gender equity in sports is far from complete The continuing barriers to full and equal participation for young people the far lower pay for most elite level women athletes and the continuing dearth of fair and equal media coverage all underline how much still has yet to change before we see gender equality in sports The chapters in *No Slam Dunk* show that this is not simply a story of an unfinished revolution Rather they contend it is simplistic optimism to assume that we are currently nearing the conclusion of a story of linear progress that ends with a certain future of equality and justice This book provides important theoretical and empirical insights into the contemporary world of sports to help explain the unevenness of social change and how despite significant progress gender equality in sports has been *No Slam Dunk* *Broadway Actors in Films, 1894-2015* Roy Liebman, 2017-02-20 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry includes highlights of the performer's career a list of stage appearances and a filmography

Beyond Choice Alexander Sanger, 2005-07-06 Thirty years after *Roe v. Wade* the argument between pro choicers and pro lifers has reached stalemate Pro choice arguments haven't persuaded a comfortable majority that legal abortion is vital to our society nor addressed our moral qualms Younger people are less and less supportive of reproductive rights Since 1996 state legislatures have enacted nearly 300 pieces of anti choice legislation With *Roe* in jeopardy International Planned Parenthood Council Chair Alexander Sanger asks a simple but heretical question How many more pieces of anti choice legislation will it take to get the pro choice movement to rethink its approach to the issue In *Beyond Choice* Sanger explores

the history of the reproductive rights movement to discover how it got stuck in its thinking and then provides a convincing new argument for the moral rightness of its cause He shows why it is vital to the health and survival of the human race that couples be able to have children or not when they choose why reproductive rights are just as important to men as to women and why in an era of new reproductive technologies completely unfettered choice is not morally defensible Beyond Choice is inspiring and important reading for women s rights advocates opinion leaders medical ethicists and anyone concerned to preserve our freedom to reproduce or not without government intervention **Beyond WEIRD: Psychobiography in Times of Transcultural and Transdisciplinary Perspectives** Claude-Hélène Mayer,Roelf van Niekerk,Paul J.P.
