Disraeli's Novels Benjamin Disraeli, 1888 **Ainsworth's novels** William Harrison Ainsworth, 1878 *The Turn of The Screw and Other Short Novels* Henry James, 2007-09-04 By turns chilling, funny, tragic, and profound this collection of six Henry James short novels allows readers to experience the full range of his skills and vision. The title story, *The Turn of the Screw*, is a chilling masterpiece of psychological terror that mixes the phantoms of the mind with those of the supernatural. *Daisy Miller*, the tale of a provincial American girl in Rome, established James's literary reputation, and *An International Episode* are superb examples of his focus on the clash between American and European values. And in *The Aspern Papers*, *The Alter of the Dead*, and *The Beast in the Jungle*, the author's remarkable sense of irony, his love of plot twists, and his view of male-female relationships find exquisite expression. With an Introduction by Fred Kaplan
