

American Songset

**National Society of the Colonial Dames
of America**

American Songset:

America's Songs Philip Furia, Michael Lasser, 2006-05-12 America's Songs tells the stories behind the most beloved popular songs of the last century. We all have songs that have a special meaning in our lives; hearing them evokes a special time or place. Little wonder that these special songs have become enduring classics. Nothing brings the roaring 20s to life like Tea for Two or I'm Just Wild About Harry; the Great Depression is evoked in all of its pain and misery in songs like Brother Can You Spare a Dime. God Bless America revives the powerful hope that American democracy promised to the world during the dark days of World War II. Young at Heart evokes the postwar optimism of the 50s. And then there are the countless songs of love, new romance and heartbreak. As Time Goes By, Always, Am I Blue, the list is endless. Along with telling the stories behind these songs, America's Songs suggests simply and succinctly what makes a song great. The book illuminates the way each great song melds words and music, sentiment and melody into a seamless whole. America's Songs also traces the fascinating but mysterious process of collaboration, the give and take between two craftsmen, a composer and a lyricist, as they combined their talents to create a song. For anyone interested in the history of the songs that America loves, America's Songs will make for fascinating reading. [American War Songs](#) National Society of the Colonial Dames of America, 1925

American Folk Songs Norman Cohen, 2008-09-30 This state-by-state collection of folksongs describes the history, society, culture, and events characteristic of all fifty states. Unlike all other state folksong collections, this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state. The topics range from the major historical events such as the Boston Tea Party, the attack on Fort Sumter, and the California Gold Rush to regionally important events such as disasters and murders, labor problems, occupational songs, ethnic conflicts. Some of the songs will be widely recognized, such as Casey Jones, Marching Through Georgia, or Sweet Betsy from Pike. Others, less familiar, have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States, their loves, labors, and losses, and their responses to events. The collection is organized by regions, starting with New England and ending with the states bordering the Pacific Ocean, and by states within each region. For each state, there are from four to fifteen songs presented, with an average of 10 songs per state. For each song, a full text is reprinted, followed by discussion of the song in its historical context. References to available recordings and other versions are given. Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories. These songs, in a sense, are history writ small. Includes Away Down East, The Old Granite State, Connecticut, The Virginian, Maid's Lament, Carry Me Back to Old Virginny, I'm Going Back to North Carolina, Shut up in Cold Creek Mine, Ain't God Good to Iowa, Dakota Land, Dear Prairie Home, Cheyenne Boys, I'm off for California, and others. **American Negro Folk-songs** Newman Ivey White, 1928 While his father works in the city over the winter, a young boy thinks of some good times they've

shared and looks forward to his return to their South African home in the spring Best Loved Songs of the American People Denes Agay,1975 Popular songs sung by the American people from colonial days to our time are presented in chronological sequence Includes words music and guitar chords **Songs from the Heart of America** Pasquale De Marco,2025-07-27 The songs that have shaped America are as diverse as the nation itself reflecting its rich tapestry of cultures experiences and dreams From the soulful melodies of spirituals to the rousing anthems of patriotism from the heartfelt ballads of love and loss to the joyous rhythms of folk and blues American music has captured the essence of the nation s spirit and its people s struggles and triumphs In this comprehensive volume we explore the rich history and diverse genres of American music from its earliest roots in Native American traditions to the contemporary sounds that continue to shape the nation s cultural landscape Through in depth analysis and insightful commentary we uncover the stories behind some of the most iconic songs ever written examining their cultural significance and the impact they have had on American society Whether you are a lifelong fan of American music or simply curious to learn more about its fascinating history this book is an essential guide to the songs that have defined a nation Join us as we embark on a musical journey that will leave you humming along tapping your feet and forever changed by the power and beauty of American music Music has always played an integral role in American culture serving as a soundtrack to the nation s journey from its humble beginnings to its emergence as a global superpower From the patriotic anthems that stirred the hearts of soldiers during wartime to the protest songs that fueled social movements music has been a powerful force for unity inspiration and change In this book we delve into the rich tapestry of American music exploring the diverse genres and styles that have shaped the nation s unique sound We trace the evolution of folk and blues from their roots in African American and Appalachian traditions to their influence on contemporary popular music We examine the rise of gospel and spirituals and their profound impact on American religious and cultural life And we explore the many subgenres of country music from the honky tonk twang of the early days to the slick production values of modern Nashville Through detailed analysis and engaging storytelling we reveal the stories behind some of the most iconic American songs ever written We learn about the heartbreak that inspired Hank Williams to pen Your Cheatin Heart the social commentary embedded in Woody Guthrie s This Land Is Your Land and the political activism that fueled Bob Dylan s Blowin in the Wind Whether you are a lifelong fan of American music or simply curious to learn more about its fascinating history this book is an essential guide to the songs that have defined a nation Join us as we embark on a musical journey that will leave you humming along tapping your feet and forever changed by the power and beauty of American music If you like this book write a review Sweet Songs for Gentle Americans Nicholas E. Tawa,1980 Popular parlor songs were the main form of secular musical entertainment in the early years of the United States They were heard regularly in the homes of our principal statesmen authors intellectuals professionals and businessmen Laborers and slaves also sang them They were the principal fare of concert and stage performances and were freely

interpolated into Italian operas Shakespearean plays lyceum lectures and church services In short parlor songs played a dominant role in American cultural history This was the music that Jefferson Lincoln Longfellow Whitman and Emily Dickinson enjoyed Yet whether owing to prejudice or misinformation we still know little about the songs they listened to and sang why and for whom written when heard or how performed This book attempts to contribute that knowledge Contemporary diaries biographies fiction newspapers periodicals and books on music were studied and the music itself exhaustively analyzed in order to reach accurate conclusions about the popular culture that emerged between the American Revolution and the Civil War The reader comes away with a sympathetic understanding of the human hopes fears and joys embodied in the songs and with a curiosity about the countless melodic gems awaiting exploration *Games and Songs of American Children* William Wells Newell, 1883

Songs of America Jon Meacham, Tim McGraw, 2019-06-11 NEW YORK TIMES BESTSELLER A celebration of American history through the music that helped to shape a nation by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw Jon Meacham and Tim McGraw form an irresistible duo connecting us to music as an unsung force in our nation's history Doris Kearns Goodwin Through all the years of strife and triumph America has been shaped not just by our elected leaders and our formal politics but also by our music by the lyrics performers and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones From The Star Spangled Banner to Born in the U S A Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us Meacham chronicles our history exploring the stories behind the songs and Tim McGraw reflects on them as an artist and performer Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation Beginning with the battle hymns of the revolution and taking us through songs from the defining events of the Civil War the fight for women's suffrage the two world wars the Great Depression the civil rights movement the Vietnam War and into the twenty first century Meacham and McGraw explore the songs that defined generations and the cultural and political climates that produced them Readers will discover the power of music in the lives of figures such as Harriet Tubman Franklin Roosevelt Eleanor Roosevelt and Martin Luther King Jr and will learn more about some of our most beloved musicians and performers including Marian Anderson Elvis Presley Sam Cooke Aretha Franklin Bob Dylan Duke Ellington Carole King Bruce Springsteen and more *Songs of America* explores both famous songs and lesser known ones expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as My Country 'Tis of Thee God Bless America Over There We Shall Overcome and Blowin' in the Wind As Quincy Jones says Meacham and McGraw have convened a concert in *Songs of America* one that reminds us of who we are where we've been and what we at our best can be *America's Songs II* Michael Lasser, 2014-01-03 *America's Songs II* Songs from the 1890's to the Post War Years continues to tell the stories behind popular songs in our country's history serving as a sequel to the bestselling *America's Songs* Stories Behind the

Songs of Broadway Hollywood and Tin Pan Alley Beginning in 1890 and ending in post war America America's Songs II is a testament to the richness of popular music in the first half of the 20th century This volume builds on the unique features of the first volume delving deeper into the nature of the collaboration between well known songwriters of the time but also shedding light on some of the early performers to turn songs into hits The book's structure a collection of short easy to read essays allows the author to provide historical context to certain songs but also to demonstrate how individual songs facilitated the popularity of specific genres including ragtime jazz and blues which subsequently reshaped the landscape of American popular music America's Songs II Songs from the 1890's to the Post War Years will appeal to American popular music enthusiasts but will also serve as an ideal reference guide for students or as a supplement in American music courses
