Sustainable Travel Pro:

Managing Sustainable Tourism David L. Edgell Sr, 2016-04-14 Managing Sustainable Tourism tackles the tough issues of tourism such as negative environmental impact and cultural degradation and provides answers that don't sacrifice positive economic growth. It offers practical plans for fostering harmonious relationships among local communities, the private sector, not-for-profit organizations, academic institutions, and governments at all levels, as well as develops management practices and philosophies that protect natural built and cultural environments while reinforcing positive and orderly economic growth. Since the first edition, there have been many important developments in the field and this second edition has been revised and updated in the following ways: Updated content to reflect issues and trends including impact of the internet, slow tourism, responsible tourism, pro-poor tourism, and motivations of the individual tourist. New and updated international case studies of successes and failures to reflect current challenges and practices. New lecturer and student online resources including PowerPoint slides and practical scenarios. This volume provides a wealth of information and guidance on managing sustainable tourism now and in the future and will be invaluable to educators, students, developers, entrepreneurs, investors, tourism strategists, planners, and policymakers.

Route 66 Travel Guide 2025 Dexter Tillery, Your Ultimate Route 66 Travel Guide Chicago to Santa Monica. Are you ready to explore the iconic Route 66? Discover the road trip of your dreams with Route 66 Travel Guide: Your Epic Journey from Chicago to Santa Monica.
