Biography As History:

Biography as History Stephen B. Oates, 1991 **The Biographical Turn** Hans Renders, Binne de Haan, Jonne Harmsma, 2016-09-13 The Biographical Turn showcases the latest research through which the field of biography is being explored Fifteen leading scholars in the field present the biographical perspective as a scholarly research methodology investigating the consequences of this bottom up approach and illuminating its value for different disciplines While biography has been on the rise in academia since the 1980s this volume highlights the theoretical implications of the biographical turn that is changing the humanities Chapters cover subjects such as gender religion race new media and microhistory presenting biography as a research methodology suited not only for historians but also for explorations in areas including literature studies sociology economics and politics By emphasizing agency the use of primary sources and the critical analysis of context and historiography this book demonstrates how biography can function as a scholarly methodology for a wide range of topics and fields of research International in scope The Biographical Turn emphasizes that the individual can have a lasting impact on the past and that lives that are now forgotten can be as important for the historical narrative as the biographies of kings and presidents It is a valuable resource for all students of biography history and historical theory

Biography and History Barbara Caine, 2018-09-19 Looking at the complex relationship between the discipline of history and the writing of lives this key textbook provides an original and insightful introduction to a growing and increasingly important area of historical scholarship and research Examining key works that have changed the nature of biography Barbara Caine also explores the way biographical narrative and life stories have become a central preoccupation for history Outlining the main features of contemporary historical biography this is an ideal companion for undergraduate and postgraduate students taking courses on historiography theory and history theory and methods historical methodology history and life biographical autobiographical writing and life writing courses on English or creative writing degrees New to this Edition Thoroughly updated throughout New concluding chapter on history and the individual life and the place of biography in history *History*, 1928 **Biography** Nigel Hamilton, 2010-03-30 For thousands of years we have recorded real lives the lives of others and of ourselves For what purpose and for whom has this universal and timeless pursuit endured What obstacles have lain in the path of biographers in the past and what continues to confound biographers today Above all how is it that biographies and autobiographies play such a contested popular role in contemporary Western culture from biopics to blogs from memoir to docudrama Award winning biographer and teacher Nigel Hamilton addresses these questions in an incisive and vivid narrative that will appeal to students of human nature and self representation across the arts and sciences Tracing the remarkable and often ignored historical evolution of biography from the ancient world to the present this brief and fascinating tour of the genre conveys the passionate quest to capture the lives of individuals and the many difficulties it has entailed through the centuries From the Epic of Gilgamesh to American Splendor from cuneiform to
