troubles may not dissolve That tragedy happened you cannot rewind your life and negative ruminations rob you of your present moment plus the possibility of a better more enjoyable life Dream it Believe it Achieve it Hello I m Robyn a very passionate Clinical Aromatherapist and Reiki Master I pray I have produced this book to suit beginners and non believers to work effectively on each chakra That they like me experience little miracles happening often from shifting energy as they work through chakra balancing I have designed the book from a teachers point of view If you do not put the instructions into practice as though you are going to be tested you will not acquire the many benefits energy healing offers As a catholic child Catholicism and lovely caring parents Aunts great aunties and other wonderful relatives kept me happy Bam Then you grow up and leave the safety net of everyone you know who are well balanced happy and loves you Prayers stopped working for me I was searching for a way to be happy again To cut a long story short my mother took me to a Hindi Kundalini workshop It was too far from anything understandable for me This workshop by a gentle natured woman from India caused me to think my mother had gone mad So mum said well maybe you need to turn your hands on healing skills into Reiki or some other form of energy work I chose to add Reflexology to my skills and joined a yoga group Then in the 1980s the internet came to Australia My youngest brother gave me a very old book he bought the home from India about Ayurvedic medicine and vertexes of energy This book sent me out there exploring On the internet Now I invite you to join my journey and learn of the miracles that changed my life I pray you to work on your chakras and start manifesting a wonderful life This book is a condensed version on what now has become my daily practice A simple to the point guide on how to balance your chakras and why it works The essential oils that create a healing type of smell therapy Crystals that help with energy shifting the basics of Hands On Healing I now call Reiki colour therapy visualization techniques and more What I have learned and gained from my students comments is The confusion comes when everyone tells you to meditation takes 20 minutes or more and to have a blank mind Chakra balancing will take a few minutes to an hour Because of the types of questions my new students have asked I believe you need to work out what each chakra means to you personally and write it down Memorize and put in your unconscious mind bank This is a journey and as time goes by you will change what you have written After your first draft you can balance your chakras daily within a minute I pray I have produced this book to suit beginners and non believers to work effectively on each chakra That they like me will experience little miracles happening often Enjoy Love Robyn xxx
