Bo Derek:

Riding Lessons Bo Derek, 2002-02-05 Bo Derek vaulted into the national spotlight in 1979 as the perfect fantasy woman in 10 Blake Edwards's sophisticated film comedy. Her otherworldly beauty and voluptuous figure captivated men everywhere while her cornrow hairstyle launched a fashion trend among women. Bo has always remained intensely private about her personal life, especially with regards to her May/December marriage to director John Derek, creating an intriguing sense of mystery that has led to much speculation. Here for the first time she reveals the truth about the woman behind the glossy image. Born Mary Cathleen Collins and known as Cathy, she grew up in southern California, the horse-crazy oldest daughter of four. Her father, a public relations executive for the boat manufacturer Hobie Cat, and her mother, a hairstylist and makeup artist for a number of Hollywood figures, separated permanently while Bo was in her teens. During this time, her mother was working for Ann-Margret, and it was backstage at one of the entertainer's Las Vegas shows that a theatrical agent approached Bo about pursuing a movie career. At one of her very first auditions, the sixteen-year-old Bo met John Derek, a man thirty years her senior with whom she would spend the next twenty-five years of her life. Theirs was a love affair of epic proportions, but it was one that was widely misunderstood by the press and public alike. John was dubbed a Svengali, and his influence over the young Bo was thought to be limitless. With great candor and an endearing humor, Bo comes clean on a relationship that has long intrigued, provided fodder for American gossip mills, and the result is an account that is far from what we may have imagined. Bo lays bare the intimate moments and madcap adventures that she and John shared, revealing in the process that she has never even for a moment relinquished control of her own destiny. Given her unusual story, her only Hollywood childhood, her friendships with Ursula Andress and Linda Evans, both of John's ex-wives, her time spent living in a trailer home, her rumored relationship with Ted Turner, and her exhaustive work for the Republican Party, it often seems as if Bo has lived nine lives rather than just one. Whether spurning *Life* magazine or passing on the opportunity to work with legendary filmmaker Dino De Laurentiis, Bo has gone with her gut regardless of the consequences. And that's only fitting for the woman who has chosen to live life with no safety nets and no regrets. But as Bo makes clear in *Riding Lessons*, it is her passion for John and her love of all things equine that have been the constants in her life. Sharing her hard-won lessons on life and love, she draws on her intuitive understanding of horses to offer surprising insights into the dynamics of intimate relationships. In this compelling memoir, Bo Derek writes openly of her growing self-awareness and of the coping strategies she has learned whether faced with sudden stardom, the crazy and competitive world of moviemaking, or the death of her beloved husband. With *Riding Lessons*, she transcends her legendary physical beauty to reveal an inner wisdom certain to enlighten and enthrall readers of all ages. *Weekly World News*, 1981-09-08 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. Roger Ebert, 2022-05-24 The Pulitzer Prize winning film critic offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they're charging to get in it's worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you've ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It's appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It's so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss
