This Land that I Love John Shaw,2013-11-05 A narrative history of the writing of This Land Is Your Land and God Bless America discusses the conflicts and common ground between the two classic anthems revealing how Woody Guthrie composed one as a reflection of Great Depression realities as a rebuttal to Irving Berlin s equally complex song written partly in response to the rise of Hitler

American Book Publishing Record ,2007 *Johnny Cash at Folsom Prison* Michael Streissguth,2019-09-25 On January 13 1968 Johnny Cash 1932 2003 took the stage at Folsom Prison in California The concert and the live album At Folsom Prison propelled him to worldwide superstardom He reached new audiences ignited tremendous growth in the country music industry and connected with fans in a way no other artist has before or since Johnny Cash at Folsom Prison The Making of a Masterpiece Revised and Updated is a riveting account of that day what led to it and what followed Michael Streissguth skillfully places the album and the concert in the larger context of Cash s artistic development the era s popular music and California s prison system uncovering new angles and exploding a few myths along the way Scrupulously researched rich with the author s unprecedented archival access to Folsom Prison s and Columbia Records archives Johnny Cash at Folsom Prison shows how Cash forever became a champion of the downtrodden as well as one of the more enduring forces in American music This revised edition includes new images and updates throughout the volume including previously unpublished material *The Man in Song* John M. Alexander,2018-04-10 There have been many books written about Johnny Cash but The Man in Song is the first to examine Cash s incredible life through the lens of the songs he wrote and recorded

Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure. In discovering why Cash wrote a given song or chose to record it, Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit. The hits came of course: Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame, the Country Music Hall of Fame, the Songwriters Hall of Fame, and the Gospel Music Hall of Fame. *The Man in Song* connects treasured songs to an incredible life. It explores the intertwined experience and creativity of childhood trauma. It rifles through the discography of a life: Cash's work with the Tennessee Two at Sam Phillips's Sun Studios, the unique concept albums Cash recorded for Columbia Records, the spiritual songs, the albums recorded live at prisons, songs about the love of his life June Carter Cash, songs about murder and death and addiction, songs about ramblers, and even silly songs. Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend, *The Man in Song* will appeal to a fan base spanning generations. Here is a biography for those who first heard *I Walk the Line* in 1956, a younger generation who discovered Cash through songs like his cover of Trent Reznor's *Hurt*, and everyone in between.
