From Small Screen to Vinyl Bob Leszczak, 2015-06-25. From its infancy, television networks and studios explored other avenues to increase their revenues. Conveniently enough, several film studios and production companies (MGM, MTM, Columbia, Screen Gems, Talent Associates, Warner Brothers) had their own record label divisions. The obvious benefit was cross-promotion: a television series could be plugged on the record, and the record could be promoted on the TV show. Though few and far between, several television performers went on to become major recording stars. Ricky Nelson started as a child actor on *The Adventures of Ozzie and Harriet* before dominating rock and pop charts. Johnny Crawford of *The Rifleman*, Walter Brennan of *The Real McCoys*, and even Bruce Willis of *Moonlighting* all scored Top Ten hit singles. But these were just the
