Robert Kennedy Evan Thomas, 2013-02-05 He was Good Bobby who as his brother Ted eulogized him saw wrong and tried to right it saw suffering and tried to heal it And Bad Bobby the ruthless and manipulative bully of countless conspiracy theories Thomas s unvarnished but sympathetic and fair minded portrayal is packed with new details about Kennedy s early life and his behind the scenes machinations including new revelations about the 1960 and 1968 presidential campaigns the Cuban Missile Crisis and his long struggles with J Edgar Hoover and Lyndon Johnson

Bobby Kennedy Larry Tye, 2016 NEW YORK TIMES BESTSELLER From the author of *Satchel* comes an in depth vibrant and measured biography about the most complex and controversial member of the Kennedy family History remembers Robert F Kennedy as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy s enshrinement in the liberal pantheon was actually the final stage of a journey that had its beginnings in the conservative 1950s In *Bobby Kennedy* Larry Tye peels away layers of myth and misconception to paint a complete portrait of

this singularly fascinating figure To capture the full arc of his subject's life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for the past forty years He conducted hundreds of interviews with RFK intimates including Bobby's widow Ethel his sister Jean and his aide John Siegenthaler many of whom have never spoken to another biographer Tye's determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive one volume biography of a man much beloved but just as often misunderstood Bobby Kennedy's transformation from cold warrior to fiery liberal is a profoundly moving personal story that also offers a lens onto two of the most chaotic and confounding decades of twentieth century American history The first half of RFK's career underlines what the country was like in the era of Eisenhower while his last years as a champion of the underclass reflect the seismic shifts wrought by the 1960s Nurtured on the rightist orthodoxies of his dynasty building father Bobby Kennedy began his public life as counsel to the red baiting senator Joseph McCarthy He ended it with a noble campaign to unite working class whites with poor blacks and Latinos in an electoral coalition that seemed poised to redraw the face of presidential politics Along the way he turned up at the center of every event that mattered from the Bay of Pigs and the Cuban Missile Crisis to race riots and Vietnam Bare knuckle operative cynical White House insider romantic visionary Bobby Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive new biography Praise for Bobby Kennedy We are in Larry Tye's debt for bringing back to life the young presidential candidate who for a brief moment almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Sweeping Tye captures RFK's rise and fall with straightforward prose bolstered by impressive research Along with hundreds of interviews with Kennedy intimates including his widow Ethel Tye sifted through unpublished memoirs unreleased government files and boxes of Kennedy papers that had been locked away for some forty years USA Today Bobby Kennedy who was assassinated during his 1968 presidential campaign is remembered for his antiwar stance and for standing up for civil rights and against poverty But Tye Superman shows how RFK was not always the progressive hero but a work in progress after all Kennedy worked for Joseph McCarthy for a spell Tye's pages on the assassination are heart wrenching New York Post This biography will appeal not only to those wanting a portrait of a dynamic idealist but also to those seeking to understand the emotions of the times in which he lived Henry A Kissinger

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life *RFK* Robert F. rights social justice the war in Vietnam foreign policy the desirability of peace the need to eliminate poverty and the role of hope in American politics Here too is evidence of the impact of those he knew and worked with including his brother John F Kennedy Lyndon Johnson Martin Luther King Jr and Cesar Chavez among others The tightly curated collection also includes commentary about RFK s legacy from major historians and public figures among them Barack Obama Bill Clinton Eric Garcetti William Manchester Elie Wiesel and Desmond Tutu Assembled with the full cooperation of the Kennedy family RFK His Words for Our Times is a potent reminder of Robert Kennedy s ability to imagine a greater America a faith and vision we could use today Themes include civil rights mistrust of large government citizen participation in local government eliminating poverty and ending the Vietnam War The speeches demonstrate Kennedy s skill at connecting with large enthusiastic audiences with promises of hope and equality Library Journal A blueprint for the future Vital Speeches

Robert Kennedy James Hilty, 2000-04-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy s assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brother to the forceful man who ran the family business orchestrating the Kennedy quest for political power The centerpiece of the book is the remarkable political partnership that formed between Robert and John As the manager of John s political campaigns Robert proved himself hard as nails in his father s admiring words relentless in securing his brother s victory and unforgiving in overseeing his brother s presidency Hilty marshals a great deal of evidence to show that while they did not always see eye to eye Lyndon Johnson s selection as John s running mate being a notable disagreement Robert and John discussed virtually every issue gauging the likely political effects of every position Robert was so close to the President that insiders called him number one and a half their consultations were so intimate that they spoke in a kind of code barely intelligible to those around them In Hilty s evocative but unsentimental recounting of the political crises of the Kennedy Administration Robert and John prove to have been more calculating and astute leaders than today s pundits allow Theirs was a partnership that was unprecedented and thanks to an act signed into law by Lyndon Johnson is never to be equaled The Kennedy family s story seems to have been lived in the public eye and Americans apparently never tire of the photographs and familiar anecdotes Most of the written accounts however either highlight the multiple tragedies and scandals preserve the latter day Camelot myth or follow the elusive traces of some conspiracy In contrast Hilty s concern is for historical perspective for accuracy plausibility and thoroughness With facts and reasoned conclusions he challenges the stories about the Kennedys in relation to Marilyn Monroe J Edgar Hoover and Martin Luther King Jr that have passed into American folklore He develops a portrait of Robert Kennedy as a complex public figure a man of centrist political allegiances and firm moral convictions who easily adapted to the crusader s role in working for Joseph

McCarthy or pursuing James Hoffa for racketeering Hilty s great care in sifting through the evidence and weighing competing theories gives us a sense of Kennedy as a public servant whose dedication to social justice intensified after he was in office and further deepened after his brother s assassination Even as he took charge of family matters and supported Jacqueline during the long ordeal of the state funeral Robert s own crushing pain was evident to the world It was then that Bobby ceased being a disparaging term and became a mark of respect and affection **Robert Kennedy** Evan Thomas,2002-09-10 Robert Kennedy has been viewed as hero and villain Thomas s achievement is to portray RFK as a human being an extraordinarily complex man who was at once kind and cruel devious and honest fearful and brave *Robert Kennedy* Judie Mills,1998-01-01 Chronicles the life of Robert Kennedy from his birth into the Kennedy clan through his tenure in the United States Senate and as Attorney General to his assassination in 1968 *Mutual Contempt: Lyndon Johnson, Robert Kennedy, and the Feud that Defined a Decade* Jeff Shesol,1998-10-17 Mutual Contempt is at once a fascinating study in character and an illuminating meditation on the role character can play in shaping history Michiko Kakutani New York Times Lyndon Johnson and Robert Kennedy loathed each other Their antagonism propelled by clashing personalities contrasting views and a deep abiding animosity would drive them to a bitterness so deep that even civil conversation was often impossible Played out against the backdrop of the turbulent 1960s theirs was a monumental political battle that would shape federal policy fracture the Democratic party and have a lasting effect on the politics of our times Drawing on previously unexamined recordings and documents as well as memoirs biographies and scores of personal interviews Jeff Shesol weaves the threads of this epic story into a compelling narrative that reflects the impact of LBJ and RFK s tumultuous relationship on politics civil rights the war on poverty and the war in Vietnam As Publishers Weekly noted This is indispensable reading for both experts on the period and newcomers to the history of that decade An exhaustive and fascinating history Shesol s grasp of the era s history is sure his tale often entertaining and his research awesome Russell Baker New York Review of Books Thorough provocative The story assumes the dimensions of a great drama played out on a stage too vast to comprehend Jonathan Yardley Washington Post 1997 Critic s Choice This is the most gripping political book of recent years Arthur Schlesinger Jr A New York Times Notable Book of the Year *Robert Kennedy* Robert F. Kennedy,Edwin O. Guthman,Jeffrey Shulman,1988-01-01
