Kaser, 2011 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction: A Resource Guide* James A. Kaser provides detailed synopses for more than 1,200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i.e. class ethnicity gender immigrant experience and race The book is also a useful reader

advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **Killing Me Softly (Previously published as Live and Let Die)** Bianca Sloane,2012-12-08 **The Last Night Out** Catherine O'Connell,2019-05-02 Six friends Three secrets One murder Maggie is destined to marry the perfect man in two weeks Desperate for a last wild night on the town before the big day she gathers her closest friends for a night to remember Only things go wrong horribly wrong Angie s body is found in the park the following morning and their night to remember quickly becomes a nightmare they wish they could forget Under police scrutiny how far will Maggie and her friends go to keep their secrets Far enough to protect a killer
