Before European Hegemony The World System A D 1250 135:

Before European Hegemony Janet L. Abu-Lughod, 1991-02-21 In this important study Abu Lughod presents a groundbreaking reinterpretation of global economic evolution arguing that the modern world economy had its roots not in the sixteenth century as is widely supposed but in the thirteenth century economy a system far different from the European world system which emerged from it Using the city as the working unit of analysis Before European Hegemony provides a new paradigm for understanding the evolution of world systems by tracing the rise of a system that at its peak in the opening decades of the 14th century involved a vast region stretching between northwest Europe and China Writing in a clear and lively style Abu Lughod explores the reasons for the eventual decay of this system and the rise of European hegemony

Islamophobia and the Politics of Empire Deepa Kumar, 2021-09-07 A critically acclaimed analysis of anti Muslim racism from the sixteenth to the twenty first centuries in a fully revised and expanded second edition In this incisive account leading scholar of Islamophobia Deepa Kumar traces the history of anti Muslim racism from the early modern era to the War on Terror Importantly Kumar contends that Islamophobia is best understood as racism rather than as religious intolerance An innovative analysis of anti Muslim racism and empire Islamophobia argues that empire creates the conditions for anti Muslim racism which in turn sustains empire This book now updated to include the end of the Trump s presidency offers a clear and succinct explanation of how Islamophobia functions in the United States both as a set of coercive policies and as a body of ideas that take various forms liberal conservative and rightwing The matrix of anti Muslim racism charts how various institutions the media think tanks the foreign policy establishment the university the national security apparatus and the legal sphere produce and circulate this particular form of bigotry Anti Muslim racism not only has horrific consequences for people in Muslim majority countries who become the targets of an endless War on Terror but for Muslims and those who look Muslim in the West as well With a new foreword by Nadine Naber *Selected Articles from the 8th International*

and central themes Includes coverage of important questions such as identity and the self sexuality and gender emotionality and ethnicity as well as more traditional topics such as economic and demographic expansion kingship and the rise of the West Explores Europe s understanding of the wider world to place the study of the medieval society in a global context

An Introduction To The World-system Perspective Thomas R Shannon,2018-02-20 This book takes into account the dramatic changes associated with the collapse of the Soviet Union the end of the Cold War and significant developments in the semi periphery and periphery It addresses some of the issues that have come to prominence in the world system literature since 1989 *Interpreting Late Antiquity* Glen Warren Bowersock,Peter Brown,Oleg Grabar,2001 The era of late antiquity from the middle of the third century to the end of the eighth was marked by the rise of two world religions unprecedented political upheavals that remade the map of the known world and the creation of art of enduring glory In these eleven in depth essays drawn from the award winning reference work *Late Antiquity A Guide to the Postclassical World* an international cast of experts provides essential information and fresh perspectives on this period s culture and history

How the West Came to Rule Alexander Anievas,Kerem Nişancıolu,2015-06-20 Winner of International Studies Association ISA s International Political Sociology Best Book Prize for 2017 Winner of British International Studies Association BISA s International Political Economy Working Group Book Prize of 2016 Shortlisted for the ISA Book Prize Mainstream historical accounts of the development of capitalism describe a process which is fundamentally European a system that was born in the mills and factories of England or under the guillotines of the French Revolution In this groundbreaking book a very different story is told *How the West Came to Rule* offers a interdisciplinary and international historical account of the origins of capitalism It argues that contrary to the dominant wisdom capitalism s origins should not be understood as a development confined to the geographically and culturally sealed borders of Europe but the outcome of a wider array of global processes in which non European societies played a decisive role Through an outline of the uneven histories of Mongolian expansion New World discoveries Ottoman Habsburg rivalry the development of the Asian colonies and bourgeois revolutions Alexander Anievas and Kerem Nisancioglu provide an account of how these diverse events and processes came together to produce capitalism *Why America's Top Pundits Are Wrong* Catherine Besteman,Hugh Gusterson,2005-01-17 In this fresh literate and biting critique of current thinking on some of today s most important and controversial topics leading anthropologists take on some of America s top pundits This absorbing collection of essays subjects such popular commentators as Thomas Friedman Samuel Huntington Robert Kaplan and Dinesh D Souza to cold hard scrutiny and finds that their writing is often misleadingly simplistic culturally ill informed and politically dangerous Mixing critical reflection with insights from their own fieldwork twelve distinguished anthropologists respond by offering fresh perspectives on globalization ethnic violence social justice and the biological roots of behavior They take on such topics as the collapse of Yugoslavia the consumer practices of the American poor American foreign policy in the Balkans and contemporary debates over race welfare and violence against

women In the clear vigorous prose of the pundits themselves these contributors reveal the hollowness of what often passes as prevailing wisdom and passionately demonstrate the need for a humanistically complex and democratic understanding of the contemporary world Available November 2004 Pub Date January 2005 **Time-Space Compression** Barney

Warf,2008-03-03 This volume explores the multiple ways in which people experience time space compression in varying historical and geographical circumstances Including economic cultural social political and psychological dimensions of time space compression 1368 Ali Humayun Akhtar,2022-07-12 A new picture of China s rise since the Age of Exploration and its historical impact on the modern world The establishment of the Great Ming dynasty in 1368 was a monumental event in world history A century before Columbus Beijing sent a series of diplomatic missions across the South China Sea and Indian Ocean that paved the way for China s first modern global era 1368 maps China s ascendance from the embassies of Admiral Zheng He to the arrival of European mariners and the shock of the Opium Wars In Ali Humayun Akhtar s new picture of world history China s current rise evokes an earlier epoch one that sheds light on where Beijing is heading today Spectacular accounts in Persian and Ottoman Turkish describe palaces of silk and jade in Beijing s Forbidden City Malay legends recount stories of Chinese princesses arriving in Melaka with gifts of porcelain and gold During Europe s Age of Exploration Iberian mariners charted new passages to China which the Dutch and British East India Companies transformed into lucrative tea routes But during the British Industrial Revolution the rise of steam engines and factories allowed the export of the very commodities once imported from China By the end of the Opium Wars and the arrival of Commodore Perry in Japan Chinese and Japanese reformers called for their own industrial revolutions to propel them into the twentieth century What has the world learned from China since the Ming and how did China reemerge in the 1970s as a manufacturing superpower Akhtar s book provides much needed context for understanding China s rise today and the future of its connections with both the West and a resurgent Asia
