Publisher Introduction En Plein Aire Open air or outdoor drawing is quite a vast subject It can be quite daunting at first but
with a bit of forethought and planning it may become your favorite kind of work as an artist The first thing you must
remember is that no matter how organized you try to be things can and often do go wrong and many factors are simply out of
your control You can t control the sun wind rain or variable light Which hour of the day do you like best Morning when it s
sharp and the shadows are long Noon when it s bright and there is very little shadow at all Or twilight when the light is
fading What do you do if it rains Expect the unexpected and have a Plan B You may even end up painting in the car but that s
OK do whatever it takes to get the job done The results of all this agony though should be well worth it a vivid impression of a
moment in time in spite of everything that Mother Nature can throw at you Sometimes the best work happens spontaneously
and not in the carefully controlled atmosphere of a studio where you have all your creature comforts around you For the
purposes of this book we re working in black and white We ll tackle paints pastels and colored pencils later Beginner's
Guide William F Powell,2003-01-01 In this book William F Powell teaches you the basics of drawing and beyond Inside you
will find more than a dozen step by step demonstrations for rendering beautiful drawings in pencil First the author covers the
materials you will need to get started drawing Then he presents each lesson with simple instructions and easy to follow steps
You will learn about creating realistic textures taking into account basic proportions and applying techniques that will lend
depth and atmosphere to your drawings With clear explanations of art concepts and drawing techniques this book will be a
welcome addition to any artist s library of references **Basics of Drawing** Leonardo Pereznieto,2021-02-22 Popular artist
Leonardo Pereznieto whose instructional YouTube videos have earned him millions of views and a devoted fan base teaches
beginners the fundamentals of traditional drawing In his first book You Can Draw Leonardo Pereznieto helped artists
recreate the realistic surfaces and textures that make his own work so popular Now he s going back to the very beginning to
teach them the basics of drawing covering first exercises fundamental techniques light and shading composition and
perspective and more Loaded with information on materials a glossary of essential terminology and hundreds of illustrations
this illuminating guide includes such projects as a fall still life of fruit in a basket with instructions on shape shadow and
detail as well as a cityscape a landscape with depth of field animals train tracks jewelry and drawing with a message Once
you ve mastered these basics you can unleash your imagination on whatever subject you like **Drawing and Painting for**
