Beginning Of Desire Reflections On Genesis:

The Beginning of Desire Avivah Gottlieb Zornberg, 2011-02-01 Turn the Scriptures over to Avivah Gottlieb Zornberg and what do you get A unique blend of brilliant literary insights and theological wisdom derived from a lifelong immersion in rabbinic traditions and lore With amazing literary sensitivity Zornberg ingeniously breathes new life into Adam and Eve Noah Abraham and Sarah Isaac Jacob and Esau Rachel and Joseph The author's vibrant spirit charming personality and infectious enthusiasm for the Bible draw the reader into the search for meaning where real life and the biblical story intersect The Beginning Of Desire imaginatively interweaves biblical rabbinic and literary sources into a colorful tapestry that is both intellectually stimulating and personally uplifting One of the Jewish biblical scholars scheduled to appear on the Bill Moyers PBS special on Genesis Avivah Zornberg employs an amazing repertoire of literary sources to engage the audience and illuminate the text Delivering her erudition in a pleasantly lyrical style the author shares her experience of God with the world It is an intimate personal and revealing encounter no one should miss **The Discovery of God** David

Klinghoffer, 2007-12-18 Fifty three percent of the world's population practices Judaism Christianity and Islam religions that all trace their lineage to the towering quasi mythological figure of Abraham In this reverent biography of the man who invented or discovered God David Klinghoffer disentangles history from myth and uncovers the profound impact of Abraham's message on his time and on the development of the modern world The Discovery of God chronicles Abraham's life from his birth in Mesopotamia through his travels as preacher and missionary throughout the Middle East Many of the primary sites of Abraham's life and career still exist and Klinghoffer describes what they were like in ancient times and how they appear today The tangible details of the polytheistic culture are re-created showing how Abraham challenged the most basic beliefs of his contemporaries He did not set out to establish the Jewish religion but rather to spread the message of ethical monotheism as it was revealed to him a powerful message that deepened over time as did his faith and relationship with God In contrast to many scholars who troubled by its contradictions and apparent errors see the Bible as the work of a series of scribes and editors Klinghoffer argues that the Bible should be viewed as an esoteric text that can only be comprehended in light of the oral tradition from which it emanated Combining rigorous scholarship and interpretive ingenuity he draws on biblical commentary and the Jewish oral tradition as preserved by sages from the Talmudic scholars to Maimonides to explore and explain the miraculous origins of monotheism At a time when the world seems to be moving toward a renewed confrontation between the three great Abrahamic faiths The Discovery of God is a potent reminder of the history and beliefs that unite them *The Face of the Deep* Catherine Keller, 2003-12-16 This is a groundbreaking highly original work of postmodern feminist theology from one of the most important authors in the field The Face of the Deep deconstructs the Christian doctrine of creation which claims that a transcendent Lord unilaterally created the universe out of nothing Catherine Keller's impassioned graceful meditation develops an alternative representation of the cosmic creative process

drawing upon Hebrew myths of creation from chaos and engaging with the political and the mystical the literary and the scientific the sexual and the racial As a landmark work of immense significance for Jewish and Christian theology gender studies literature philosophy and ecology *The Face of the Deep* takes our originary story to a new horizon rewriting the starting point for Western spiritual discourse *Down-to-Earth Spirituality* R. Richardson,2010-10-01 Come spend some time in the sanctuary of women an often ignored space in Jewish and Christian history This devotional book for women highlights six women from around the world and across the centuries inviting us to discover what their lives tell us about God Jan Richardson a gifted poet artist and author believes it is essential for women to listen to one another s wisdom and bring the fullness of their lives with all the wonders and messiness into their prayer life In the Sanctuary of Women gathers together these women from scripture and history Eve Brigid of Kildare The desert mothers Hildegard of Bingen Harriet Powers The Woman of the Song of Songs Each chapter becomes its own sanctuary with one of the women serving as a companion as you contemplate the theme that her life offers Throughout the readings Richardson weaves her own stories poetry prayers and blessings Midway through each chapter a section called The Secret Room gives you a chance to pause and reflect on unexpected insights Reading the book daily will carry you through six months or you can dip into the readings as you wish An invitation into reflection and prayer alone or in the company of others In the Sanctuary of Women is a book to treasure and to share with the women and the men in your life [Sanctification](#) David Birnbaum,Benjamin Blech,2014-01-01 Benjamin Blech is a tenth generation rabbi He has been a Professor of Talmud at Yeshiva University since 1966 and was the Rabbi of Young Israel of Oceanside for 37 years Rabbi Blech received a B A from Yeshiva University an M A in psychology from Columbia University and rabbinic ordination from the Rabbi Isaac Elchanan Theological Seminary He is the author of 15 highly acclaimed books the last one of which *The Sistine Secrets Michelangelo s Forbidden Messages in the Heart of the Vatican* has now been translated into sixteen languages *MitzvahChic* Gail Anthony Greenberg,2006-10-03 An indispensable modern day guide to planning the perfect bar or bat mitzvah celebrating substance and style There used to be only two approaches to the bar or bat mitzvah party a low key event that reflects the solemnity of this sacred rite of passage or a big bash that has no connection to the religious service For many it was an impossible dilemma Will a big bash trivialize and overshadow the bar or bat mitzvah experience Will too much spirituality suck the life out of an otherwise fabulous party MitzvahChic is the first book that proves that if you want a truly amazing experience you can and must have it all Blending meaningful Jewish elements with high style contemporary party planning this inspiring and useful guide will show you how to have the ultimate bar or bat mitzvah a profoundly moving service followed by an unforgettable party The MitzvahChic

Consider the Women Debbie Blue, 2019-03-07. A timely and compelling new look at three key women in the biblical narrative. Among the mostly male dominated narratives in Scripture, the stories of women can be game changing. In this book, Debbie Blue looks closely at Hagar, mother of Islam, Esther, Jewish heroine and Mary, Christian matriarch and finds in them unexpected and inviting new ways of navigating faith and life. As she sets out to explore these biblical characters who live and move in places and ways outside of the strict boundaries of tradition, Blue encounters many real life characters who challenge her expectations and renew her hope: a Muslim tattoo artist, a Saudi Arabian sculptor, a rabbi in a Darth Vader costume, Aztec dancers at a feast of Guadalupe, an Islamic feminist scholar and more. Readers who embark with Blue on the sometimes unorthodox, subversive paths of these curious and lively figures will be led to envision more expansive and hopeful possibilities for faith, human connection and love in our divided, violent world.
