Theory of Political Sociology

Irving Louis Horowitz

Behemoth Main Currents In The History And Theory Of Political Sociology

Daniel Mahoney

Behemoth Main Currents In The History And Theory Of Political Sociology:

Behemoth Irving Horowitz, 2017-10-19 The title Behemoth derives from the Hebrew word Behemah a beast an enormous creature monstrously huge and vast It is an apt description of the State on the eve of the twenty first century Loved by few vilified by many from all perspectives it nonetheless continues to grow by turns rivaling and co-opting that more pleasant sounding word Society Political sociology aims to define and understand the interrelationship between these two huge terms State and Society Continuing in a path begun by Horowitz in the 1950s in *The Idea of War and Peace in Contemporary Social and Philosophical Thought* expanded upon in the 1970s with *Foundations of Political Sociology* this summing up in the late 1990s is an effort to extract and evolve the canon of political sociology Starting with Montesquieu Horowitz proceeds through the European experience of Rousseau Tocqueville Hegel Marx Durkheim Sorel and Weber He then takes the field on its tangled migration to America with the Frankfurt School in exile followed by searching chapters on Schumpeter Mills Arendt and Huntington among others The result is a stunning revaluation of the intellectual sources of the present day divisions between statists and socialists welfarists and individualists advocates of dictatorship and of democracy mandated rules and voluntary association hard realists and soft utopians a world without states and a world with a single state Horowitz does not offer the usual evolutionary notion of doctrines but a canon embedded in and embattled with the societies they aim to serve or overthrow in the present as in the past The result is a major recasting of the theory and practice of social science and normative frameworks The final chapter offers Horowitz's own prognosis of what we can expect in the recasting of the Welfare State to include the Welfare Society and its growing nemesis the global economy which threatens to engulf State and Society alike in a return to civilizational concerns This is an essential text for policy makers and social scientists interested in macroscopic changes in the political order

Behemoth Irving Louis Horowitz, 1999-01 The result is a stunning revaluation of the intellectual sources of the present day divisions between statists and socialists welfarists and individualists advocates of dictatorship and of democracy mandated rules and voluntary association hard realists and soft utopians a world without states and a world without a single state Horowitz does not offer the usual evolutionary notion of doctrines but a canon embedded in and embattled with the societies they aim to serve or overthrow in the present as in the past The result is a major recasting of the theory and practice of social science and normative frameworks

Politics, Social Theory, Utopia and the World-System C. el-Ojeili, 2012-01-25 It is common to hear that we live in unique turbulent and crisis ridden times and this turbulence transformation and crisis are said to be deeply significant perhaps threatening for the human sciences Responding to such claims this book provides an accessible engagement with pressing contemporary topics such as violence social movements equality identity and democracy Foregrounding the imagination of possibilities utopia the mapping of the present theory and the transformation of the world system historical and global questions the book surveys central issues and paradigms in contemporary political sociology urging a recommitment to certain concepts and

traditions for guidance in thinking and acting in the world Once More Unto the Breach, Dear Friends Irving Louis Horowitz, Andrew McIntosh, Patrick Ivins, Deborah Berger, 2017-07-05 Candor breadth judiciousness all these are attributes Irving Louis Horowitz possesses as a scholar Under his leadership there is no academic publication from which I have learned as much as Transaction Society David Riesman Harvard University We are all happy beneficiaries of Horowitz's acutely perceptive and often devastatingly plain spoken self as sociologist and sage broad gauged scholar dedicated teacher tough minded editor and publisher with an ingrained sense of fairness Robert K Merton Columbia University

Tocqueville and the Frontiers of Democracy Richard Boyd, Ewa Atanassow, 2013-03-29 This collection of essays uses Alexis de Tocqueville's writings to explore the dilemmas of democratization in the twenty first century Political Reason in the Age of Ideology Daniel Mahoney, 2017-07-05 A little over one hundred years after his birth and not quite twenty five years since his death interest in the French political philosopher and sociologist Raymond Aron 1905 1983 continues to grow Aron is now widely recognized as one of the most significant intellectual figures of the postwar period whose wide ranging reflections played a key part in preserving liberal democracy in Europe and abroad His sober analyses of modern society his trenchant critique of ideological politics and every form of totalitarianism and his philosophical reflections on politics and history have given powerful support to democratic liberalism throughout the western world Aron's work combines passion and observation disinterested reflection and love of liberty in a way that is an imitable model for humane and balanced political reflection In this stimulating collection of essays inspired by the centennial of Aron's birth a distinguished group of North American and European scholars including Pierre Manent Stanley Hoffmann Irving Louis Horowitz Liah Greenfeld Claude Lefort and Aurelian Craiutu examine four key aspects of Aron's thought and work his educative legacy his reflections on other philosophers and intellectuals his distinctive approach to international relations and the unique character of his own political reflection The result is a masterful engagement with Aron's intellectual legacy and a thoughtful coming to terms with the political and intellectual substance of the twentieth century **International Bibliography of Political Science**

Compiled by the British Library of Political and Economic Science, 2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences *Political Philosophy* Mario Bunge, 2017-07-12 Political philosophy is not a well defined field It hovers between political theory and classical philosophy Few early political thinkers could have anticipated the most pressing political issues of our time the need to stop global warming the reduction of nuclear armaments the rise of inequality between individuals and nations and the struggle against authoritarianism particularly when it comes disguised as democracy or as socialism Here celebrated philosopher Mario Bunge masterfully integrates socio political theory into a philosophical exploration of power and resource distribution in the world today Bunge contends that even recent political thinkers have generally failed to address the political underpinnings of topical issues Environmental

degradation gender and race discriminations participative democracy nationalism imperialism the North South divide resource wars and the industrial military complex have all largely been bypassed in political thinking Even connections between poverty and environmental degradation and between inequality and bad health have escaped the attention of those who would call themselves political thinkers Bunge believes that political philosophers should pay more attention to social indicators such as the standard index of income inequality and the United Nations human development index It is pointless to write about redistributive policies unless we have a shared understanding of current wealth distribution This is in short a modern treatise on sociopolitical concerns Justice and Global Politics Ellen Frankel Paul, Fred D. Miller (Jr.), Jeffrey Paul, 2006 Since the end of the Cold War there has been increasing interest in the global dimensions of a host of public policy issues issues involving war and peace terrorism international law regulation of commerce environmental protection and disparities of wealth income and access to medical care Especially pressing is the question of whether it is possible to formulate principles of justice that are valid not merely within a single society but across national borders The thirteen essays in this volume explore a range of issues that are central to contemporary discussions of global politics Written by prominent philosophers political scientists economists and legal theorists they offer valuable contributions to current debates over the nature of justice and its implications for the development of international law and international institutions The Utopian Constellation Chamsy el-Ojeili, 2019-11-18 This book examines the utopian dimension of contemporary social and political thought Arguing for a utopian optic for the human sciences el Ojeili claims that major transformations of the utopian constellation have occurred since the end of the twentieth century Following a survey of major utopian shifts in the modern period el Ojeili focuses on three spaces within today s utopian constellation At the liberal centre we see a splintering effect particularly after the global financial crisis of 2008 a contingent neo liberalism a neo Keynesian turn and a liberalism of fear At the far Right margin we see the consolidation of post fascism a combination of the future in the past elements of the post modern present and appeals to a novel future Finally at the far Left a new communism has emerged with novel positions on resistance maps of power and a contemporary variant of the Left s artistic critique The Utopian Constellation will be of interest to scholars and students across the human sciences with an interest in utopian studies ideological and discourse analysis the sociology of knowledge and the study of political culture

Behemoth Main Currents In The History And Theory Of Political Sociology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Behemoth Main Currents In The History And Theory Of Political Sociology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Behemoth Main Currents In The History And Theory Of Political Sociology has opened up a world of possibilities. Downloading Behemoth Main Currents In The History And Theory Of Political Sociology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Behemoth Main Currents In The History And Theory Of Political Sociology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Behemoth Main Currents In The History And Theory Of Political Sociology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Behemoth Main Currents In The History And Theory Of Political Sociology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Behemoth Main Currents In The History And Theory Of Political Sociology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Behemoth Main Currents In The History And Theory Of Political Sociology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Behemoth Main Currents In The History And Theory Of Political Sociology Books

What is a Behemoth Main Currents In The History And Theory Of Political Sociology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Behemoth Main Currents In The History And Theory Of Political Sociology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Behemoth Main Currents In The History And Theory Of Political Sociology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Behemoth Main Currents In The History And Theory Of Political Sociology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Behemoth Main Currents In The History And Theory Of Political Sociology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific

software or tools, which may or may not be legal depending on the circumstances and local laws.
