Bring Me The Rhinoceros And Other Zen Koans To Bring You Joy

James Ishmael Ford

Bring Me The Rhinoceros And Other Zen Koans To Bring You Joy:

Bring Me the Rhinoceros John Tarrant, 2008-11-11 A provocative and playful exploration of the Zen koan tradition that reveals how everyday paradoxes are an integral part of our spiritual journey *Bring Me the Rhinoceros* is an unusual guide to happiness and a can opener for your thinking For fifteen hundred years Zen koans have been passed down through generations of masters usually in private encounters between teacher and student This book deftly retells more than a dozen traditional koans which are partly paradoxical questions dangerous to your beliefs and partly treasure boxes of ancient wisdom Koans show that you don't have to impress people or change into an improved more polished version of yourself Instead you can find happiness by unbuilding unmaking throwing overboard and generally subverting unhappiness Author and Zen teacher John Tarrant brings the heart of the koan tradition out into the open reminding us that the old wisdom remains as vital as ever a deep resource available to anyone in any place or time

Introduction to Zen Koans James Ishmael Ford, 2018-06-05 An indispensable guide to koans teaching the reader about the importance of lineage the practice of just sitting and koan practice as paths to awakening This marvelous book opens the treasure house of Zen and yet happily does not dispel its mystery James Ford an excellent storyteller and longtime Zen practitioner presents a detailed and beautiful description of the craft of zazen including just sitting and various forms of breath meditation but focuses primarily on koan introspection The power of koans these public cases from China has never ceased to enrich my own experience of Zen They are a medium of exploration of the history culture and view of Zen but most importantly are a medium of awakening James Ford is fundamentally a koan person and for this the book is particularly rich opening the practice of koans in a splendid way I am grateful for his long experience as a teacher and practitioner of this rare and powerful practice Since the word koan has found its way into popular English usage I am grateful too for the more nuanced and fertile view of koans that Ford presents His definition of the word is telling a koan points to something of deep importance and invites us to stand in that place He has also created a wonderful translation of the Heart Sutra Zen's central scripture and carefully opens up the heart of the Heart Sutra through scholarship and practice Rich in textual sources and woven throughout with the perspectives of contemporary teachers *Introduction to Zen Koans* sheds new light on ancient teachings Through it the reader will discover the importance of lineage the traceless traces of the Zen ancestors and the places of just sitting and koan practice as paths to awakening as the great doorways into Zen from the foreword by Joan Halifax

A Thousand Names for Joy Byron Katie, Stephen Mitchell, 2008-04-01 Byron Katie is one of the truly great and inspiring teachers of our time I encourage everyone to immerse themselves in this phenomenal book Dr Wayne W Dyer In her first two books *Loving What Is* and *I Need Your Love Is That True* Byron Katie showed how suffering can be ended by questioning the stressful thoughts that create it Now in *A Thousand Names for Joy* she encourages us to discover the freedom that lives on the other side of inquiry Stephen Mitchell the renowned translator of the *Tao Te Ching* selected provocative excerpts from that ancient text as a

stimulus for Katie to talk about the most essential issues that face us all life and death good and evil love work and fulfillment With her stories of total ease in all circumstances Katie does more than describe the awakened mind she lets you see it feel it in action Zen Koans, Paradoxical Awakening Norman McClelland, 2021-04-25 What comes to mind when you hear the word koan You probably know koans as paradoxes and you may believe that they are therefore illogical or intellectually inscrutable and therefore not useful to the average person Zen Koans Paradoxical Awakenings is the tool you need to correct your perceptions of koans and become aware of the benefits of koan practice Embracing the paradox of the koan can give deeper meaning to life as well as leading to the Buddhist awakening to your real non dual nature With an experienced Zen teacher as your guide you can enter more deeply into the three essentials of Zen great faith great doubt and great determination **Keep Me in Your Heart a While** Dosho Port, 2010-10 One of the great pioneers of Zen in America Dainin Katagiri had a teaching style that was at once powerful gentle and sometimes even casual For his student Dosho Mike Port some of Katagiri's most profound teachings came in the simple moments of everyday interactions Keep Me in Your Heart a While is built around a series of these vivid truth revealing incidents that evoke the feel of ancient Zen koans Each chapter starts with an encounter with Katagiri and unfolds from there touching on subjects such as the nature and the purpose of Zen the dynamic and working of realization and the evolving relationship between teacher and student In sharing what it was like to train with one of the first generation of American Zen teachers Dosho Mike Port preserves and revitalizes this incredible path making it available to the next generation of seekers **Sitting with Koans** John Daido Looi, 2006 The Zen tradition has just two main meditative practices shikantaza or just sitting and introspection guided by the powerful Zen teaching stories called koans Following in the tradition of The Art of Just Sitting endorsed as a A book we have needed for a long long time this new anthology from John Daido Looi illuminates the subtle practice of koan study from many different points of view Includes writings by Robert Aitken William Bodiford Robert Buswell Roko Sherry Chayat Francis Dojun Cook Eihei Dogen Heinrich Dumoulin Hakuin Ekaku Victor Sogen Hori Keizan Jokin Philip Kapleau Chung fen Ming Pen Taizan Maezumi Dennis Genpo Merzel Soen Nakagawa Ruth Fuller Sasaki Sokei an Sasaki Nyogen Senzaki Zenkei Shibayama Eido Shimano Philip Yampolsky Hakuun Yasutani Wayne Yokoyama Katsushiro Yoshizawa Zen Master Who? James Ishmael Ford, 2006-10-20 Surprisingly little has been written about how Zen came to North America Zen Master Who does that and much more Author James Ishmael Ford a renowned Zen master in two lineages traces the tradition's history in Asia looking at some of its most important figures the Buddha himself and the handful of Indian Chinese and Japanese masters who gave the Zen school its shape It also outlines the challenges that occurred as Zen became integrated into western consciousness and the state of Zen in North America today The author includes profiles of modern Zen teachers and institutions including D T Suzuki and Alan Watts and such topics as the emergence of liberal Buddhism and Christians Jews and Zen This engaging accessible book is aimed at anyone interested in this tradition but who may not know how to start Most importantly it

clarifies a great and ancient tradition for the contemporary seeker I Need Your Love - Is That True? Byron Katie, Michael Katz, 2006-11-28 In *Loving What Is* bestselling author Byron Katie introduced thousands of people to her simple and profound method of finding happiness through questioning the mind Now *I Need Your Love Is That True* examines a universal age old source of anxiety our relationships with others In this groundbreaking book Katie helps you question everything you have been taught to do to gain love and approval In doing this you discover how to find genuine love and connection The usual advice offered in self help books and reinforced by our culture advocates a stressful all consuming quest for love and approval We are advised to learn self marketing and manipulative skills how to attract impress seduce and often pretend to be something we aren't This approach doesn't work It leaves millions of walking wounded those who having failed to find love or appreciation blame themselves and conclude that they are unworthy of love *I Need Your Love Is That True* helps you illuminate every area in your life where you seem to lack what you long for most the love of your spouse the respect of your child a lover's tenderness or the esteem of your boss Through its penetrating inquiry you will quickly discover the falseness of the accepted ways of seeking love and approval and also of the mythology that equates love with need Using the method in this book you will inquire into painful beliefs that you've based your whole life on and be delighted to see them evaporate Katie shows you how unraveling the knots in the search for love approval and appreciation brings real love and puts you in charge of your own happiness Everyone agrees that love is wonderful except when it's terrible People spend their whole lives tantalized by love seeking it trying to hold on to it or trying to get over it Not far behind love as major preoccupations come approval and appreciation From childhood on most people spend much of their energy in a relentless pursuit of these things trying out different methods to be noticed to please to impress and to win other people's love thinking that's just the way life is This effort can become so constant and unquestioned that we barely notice it anymore This book takes a close look at what works and what doesn't in the quest for love and approval It will help you find a way to be happier in love and more effective in all your relationships What you learn here will bring fulfillment to all kinds of relationships including romantic love dating marriage work and friendship Byron Katie The Flowing Bridge Elaine MacInnes, 2007-11-28 Koans such as What is the sound of one hand clapping have penetrated deeply into popular consciousness even being referenced on for example *The Simpsons* Yet those who encounter koans in the traditional literature or in the context of exploring Zen practice themselves can often find them utterly baffling *The Flowing Bridge* is the first ever book to address all of the first koans that Zen students encounter What is Mu What is the sound of the single hand and the so called miscellaneous koans that have historically been kept as esoteric secrets Sister Elaine MacInnes a Catholic nun and a Zen teacher in the lineage of the renowned master Koun Yamada offers exceptionally valuable guidance to beginners on how to work with koans and reveals an uncommon depth of insight and an easeful technical mastery of Zen's most misunderstood and most powerful tools This book is sure to become a classic standing alongside *The Gateless Gate* and *The Blue Cliff Record* as a must read for anyone

seeking Zen's subtlest teachings and deepest power Creatively Expanding the Premodern Carole Levin, Marguerite A. Tassi, Christine Stewart-Núñez, Julia Griffin, 2025-10-27 This book highlights the stories of women from premodern history and literature through models of adaptations, retellings, and criticism such as poems, plays, and essays. Reviving these voices from the background widens the appeal and accessibility of scholarship in the humanities. Creative composing processes draw research through the imagination and experience of the writer. This act can help explore qualities of historical events and literary figures that are still relevant today. The four authors of this book demonstrate these approaches through creative adaptations and responses to Biblical and Classical writings, Greek mythological figures, medieval narratives, powerful historical women, plays by Shakespeare, and works by other early modern English writers. What distinguishes this book from other scholarship on the premodern is its collaborative and interdisciplinary foundation, as well as its emphasis on literary and hybrid genres. Offering interdisciplinary ways of reading, thinking about, and reconceiving literature and scholarship in a way that invites dialogue and further creative responses, this volume provides humanities teachers with effective pedagogical tools to inspire deeper engagement and understanding in their students.

If you ally obsession such a referred **Bring Me The Rhinoceros And Other Zen Koans To Bring You Joy** books that will give you worth, acquire the utterly best seller from us currently from several preferred authors.
