Britain And China 1945 1950:

Recasting the Imperial Far East Lanxin Xiang,1995 Examines the rivalry between the US and Britain over China between World War II and the Korean War a link that has been neglected by scholars distracted by the dominant theme of the Cold War Finds that the two governments did not collaborate in any significant manner that the succession from one imperial power to another was not particularly friendly that the British considered the US fetish for antagonizing Mao Tse Tung misguided and dangerous that the US missed its chance to consolidate power in the region and began the slide to Viet Nam in 1950 and that Britain had no choice by then but to tie their wagon to the wayward US in order to salvage the remnants of British imperial spoil Paper edition unseen 25 Annotation copyright by Book News Inc Portland OR **Britain and China 1945-1950** S.R. World War II Hans van de Ven,Diana Lary,Stephen MacKinnon,2014-12-03 Negotiating China s Destiny explains how China developed from a country that hardly mattered internationally into the important world power it is today Before World War II China had suffered through five wars with European powers as well as American imperial policies resulting in economic military and political domination This shifted dramatically during WWII when alliances needed to be realigned resulting in the evolution of China s relationships with the USSR the U S Britain France India and Japan Based on key historical archives memoirs and periodicals from across East Asia and the West this book explains how China was able to become one of the Allies with a seat on the Security Council thus changing the course of its future Breaking with U S centered analyses which stressed the incompetence of Chinese Nationalist diplomacy Negotiating China s Destiny makes the first sustained use of the diaries of Chiang Kai shek which have only become available in the last few years and who is revealed as instrumental in asserting China s claims at this pivotal point Negotiating China s Destiny demonstrates that China s concerns were far broader than previously acknowledged and that despite the country s military weakness it pursued its policy of enhancing its international stature recovering control over borderlands it had lost to European imperialism in the nineteenth and early twentieth century and becoming recognized as an important allied power with determination and success **Crosswinds** Vijay Gokhale,2024-02-03 The establishment of a communist regime in China upended Western plans for the post WWII Asian

order As the United States of America and Great Britain grappled with the implications of this new China in terms of their strategic and economic interests in the western Pacific significant divergences also emerged A newly independent India seeking to define its place and role in the region under conditions of Cold War was hoping to enlist China as partner This book based on archival material outlines India s efforts to craft a foreign policy in the context of the Anglo American competition in the Far East The roles played by the towering personalities of that era Jawaharlal Nehru Zhou Enlai Harry S Truman Dwight D Eisenhower John Foster Dulles Winston Churchill Anthony Eden and Krishna Menon and the personal chemistry between them are woven into the narrative to paint a picture of the nuts and bolts of Indian diplomacy during the early years of the nation *Sino-British Negotiations and the Search for a Post-War Settlement, 1942-1949* Zhaodong Wang, 2022-03-21 The book is a systematic study of the China Britain relationship during the 1942 1949 period with a particular focus on the two countries discussions over both the 1943 Sino British treaty and the discarded Sino British commercial treaty the future of Hong Kong and the political status of Tibet These were dominated by two underlying themes the elimination of the British imperialist position in China and the establishment of an equal and reciprocal bilateral relationship The negotiations started promisingly in 1942 1943 but by 1949 had failed to reach a satisfactory settlement Behind the failure lay a complex set of domestic considerations and external factors including the powerful influence of the United States Even after seven decades the failure still has a contemporary impact Recent Sino British disputes over the Hong Kong Anti Extradition Law Amendment Bill Movement and incessant Indo Chinese conflicts and skirmishes over their unsettled borders all attest to the enduring legacy of the years 1942 1949 as setting the scene for subsequent Sino British and Sino Indian relations From this perspective the history has never left us **International Diplomacy and Colonial Retreat** Kent Fedorowich, Martin Thomas, 2013-10-23 The problems investigated in this collection had lasting consequences not only in the field of colonialism but in international politics as well Decolonization and the Cold War which brought about the most significant changes to global politics after 1945 are treated together
