

British Campaign Furniture

David Loades

British Campaign Furniture:

British Campaign Furniture Nicholas A. Brawer, 2001-04 In the first ever book on the subject Brawer meticulously details the ingeniously designed elaborately styled fold up furnishings used by British armies since the ancient times *British Campaign Furniture* Nicholas A. Brawer, 2001

Reader's Guide to British History David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6-12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

The First Fleet Piano: Volume One Geoffrey Lancaster, 2015-11-03 During the late eighteenth century a musical cultural phenomenon swept the globe The English square piano invented in the early 1760s by an entrepreneurial German guitar maker in London not only became an indispensable part of social life but also inspired the creation of an expressive and scintillating repertoire Square pianos reinforced music as life's counterpoint and were played by royalty by musicians of the highest calibre and by aspiring amateurs alike On Sunday 13 May 1787 a square piano departed from Portsmouth on board the *Sirius* the flagship of the First Fleet bound for Botany Bay Who made the First Fleet piano and when was it made Who owned it Who played it and who listened What music did the instrument sound out and within what contexts was its voice heard What became of the First Fleet piano after its arrival on antipodean soil and who played a part in the instrument's subsequent history Two extant instruments contend for the title First Fleet piano which of these made the epic journey to Botany Bay in 1787-88 The First Fleet Piano A Musician's View answers these questions and provides tantalising glimpses of social and cultural life both in Georgian England and in the early colony at Sydney Cove The First Fleet piano is placed within the musical and social contexts for which it was created and narratives of the individuals whose lives have been touched by the instrument are woven together into an account of the First Fleet piano's conjunction with the forces of history View The First Fleet Piano Volume Two Appendices Note Volume 1 and 2 are sold as a set 180 for both and cannot be purchased separately

The Comforts of Home in Western Europe, 1700-1900 Jon Stobart, 2020-02-20 Comfort both physical and affective is a key aspect in our conceptualization of the home as a place of emotional attachment yet its study remains under developed in the context of the European house In this volume Jon Stobart has assembled an international cast of contributors to discuss the ways in which architectural and spatial innovations coupled with the emotional assemblage of objects to create comfortable homes in early modern Europe The book features a two section structure focusing on the historiography of architectural and spatial innovations and material culture in the early modern home It also includes 10 case studies which draw on specific examples from water closets in Georgian Dublin to wallpapers in 19th century Cambridge to illustrate how people made use of and responded to the technological improvements and the

emotional assemblage of objects which made the home comfortable In addition it explores the role of memory and memorialisation in the domestic space and the extent to which home comforts could be carried about by travellers or reproduced in places far removed from the home *The Comforts of Home in Western Europe 1700-1900* offers a fresh contribution to the study of comfort in the early modern home and will be vital reading for academics and students interested in early modern history material culture and the history of interior architecture *Furniture* Judith Miller,2005-09-19

Whether you want to identify date or evaluate your own pieces *Furniture* is the only comprehensive full color reference guide for you Judith Miller gives a global overview that spans the last 3 000 years of design guaranteed to turn any amateur into a furniture buff *Furniture* defines decorative motifs of key periods with over 3 500 photographs of every style and form This eBook also includes profiles of influential designers craftsmen and key movements *Army Wives* Midge Gillies,2016-11-18

Most families have an army wife somewhere in their past Over the centuries they have followed their men to the front helped them keep order in far flung parts of the empire or waited anxiously at home *Army Wives* uses first hand accounts letters and diaries to tell their story We meet the wives who made the arduous journey to the Crimean war and witnessed battle at close quarters We hear the story of life in the Raj and the often terrifying experiences of the women who lived through its dying days We explore the pressures of being a modern army wife whether living in barracks or trying to maintain a normal home life outside the patch In the twentieth century two world wars produced new generations of army wives who forged friendships that lasted into peacetime *Army Wives* reveals their experience and that of a new breed of independent women who supported their men through the Cold War to the current war on terror Midge Gillies author of acclaimed *The Barbed Wire* University looks at how industrial warfare means husbands can survive battle with life changing injuries that are both mental and physical and what that means for their family She describes how army wives communicate with their husbands via letters and coded messages to more immediate but less intimate texts and Skype She examines bereavement from the seances public memorials and deaths in a foreign field of the Great War to the modern media coverage of flag draped coffins returning home by military plane Above all *Army Wives* examines what it really means to be part of the army family **A**

Cultural History of Furniture in the Age of Empire and Industry Catherine L. Futter,Christina M. Anderson,2022-02-24

The 19th century in Western culture was a time of both confidence and turbulence Industrial development produced a growing middle class as well as efficiency convenience and innovation across a range of fields from engineering to architecture Alongside these improvements the century began with the extended period of the Napoleonic Wars and was further disrupted by rebellions and revolutions both within Europe and in India South America and other parts of the world Slavery was abolished and urbanization increased dramatically These myriad developments were reflected throughout the period in the proliferation of types of furniture along with their categorization as industrial art at the international exhibitions and world fairs and the increasingly adventurous range of materials that were sometimes used in their construction

Nonetheless a strong antiquarian historicist strand also prompted interest in the revival of past styles in areas of art and design including furniture Drawing upon a wealth of visual and textual sources this volume of *A Cultural History of Furniture* presents essays that examine key characteristics of the furniture of the period on the themes of design and motifs makers making and materials types and uses the domestic setting the public setting exhibition and display furniture and architecture visual representations and verbal representations

Things That Move Tim Anstey, 2024-04-23 A history of architecture not as the art of what stays but of what changes and moves We tend to think of architecture as a practice in permanence but what if we looked instead for an architecture of transience In *Things That Move* Tim Anstey does just that rather than assuming that architecture is at a certain level stationary he considers how architecture moves subjects referring to its emotive potential in the experience it creates how it moves objects referring to how it choreographs bodies in motion and how it is itself moved referring to the mixture of materials laws affordances and images that introduce movement into any architectural condition The first of the book's three sections *Cargoes* highlights the mobile peripheries of architectural history through the eighteenth and nineteenth centuries It asks what kinds of knowledge can be included under a discussion of something called architecture noting the connections between discourses of the lithe and the technical on the one hand and those associated with the production of monumental static compositions on the other The second section *Dispatches* reinterprets early architectural theory by examining the Renaissance ideal of decorum the nature of the architectural work and the ways in which architects are constituted as authors Lastly *Vehicles* considers building in terms of literal and metaphorical movement using two cases from the twentieth century that investigate the relationship between architecture and cultural memory Using a broadly forensic approach to connect details in otherwise disparate cases *Things That Move* is a breathtakingly capacious architectural account that will change the way readers understand buildings their becoming and their significance

American Furniture Designers Oscar P. Fitzgerald, 2022-04-01 A 2023 Choice Reviews Outstanding Academic Title The 20th century furniture is hot *American Furniture Designers 1900 to the Present* highlights the furniture produced by the 20 most important American furniture designers of the 20th and early 21st centuries plus a selection of the best known European designers whose work is sold by Knoll International and Herman Miller The designers are organized into five chapters Introductions to each section summarize the evolution of furniture design as it evolved through the 20th and early 21st centuries The book begins with the Arts and Crafts era before World War I moves into the interwar period when Modernism gained a foothold in America continues through the Postwar heyday of Mid century Modern highlights the furniture from the 1970s and into the 21st century with a focus on the foremost promoters of modern furniture Knoll International and Herman Miller and concludes with a selection of the top Studio Furniture makers and their innovative creations The book focuses on the leading American designers from each of these periods including Gustav Stickley and Charles Rohlf's during the Arts and Crafts movement Paul Frankl and Gilbert Rohde in the interwar period Charles and Ray

Eames and George Nelson for Mid century Modern and Wendell Castle and George Nakashima for Studio Furniture to name just a few All their furniture is explained and profusely illustrated with 280 color photos For anyone curious about the modern material culture that surrounds them the book will explain everything about American furniture from 1900 into the 21st century when it was made where it was made who made it what it was made of how it was designed how long it was in production and how the furniture related to its contemporaries

Whispering the Secrets of Language: An Emotional Quest through **British Campaign Furniture**

In a digitally-driven earth wherever displays reign great and immediate interaction drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within words often go unheard. Yet, nestled within the pages of **British Campaign Furniture** a fascinating fictional prize blinking with organic thoughts, lies an exceptional quest waiting to be undertaken. While this might not be the British Campaign Furniture full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd

offer subscription-based access to a wide range of British Campaign Furniture eBooks, including some popular titles.

FAQs About British Campaign Furniture Books

What is a British Campaign Furniture PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a British Campaign Furniture PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a British Campaign Furniture PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a British Campaign Furniture PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a British Campaign Furniture PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
