British Electorate 1963 199:

British Politics Bill Jones, 2020-11-03 Fully updated and expanded the second edition of this still compact text on British politics expertly analyses the major changes in British political life placing them revealingly within the context of the evolution of British society from absolute monarchy to representative democracy The author considers each of the major components of British politics in digestible chapters such as the Monarchy and the House of Lords the Commons voting behaviour parties and pressure groups the prime minister and cabinet devolution local government and foreign policy The book includes two new chapters on the EU referendum and Brexit and the extraordinary December 2019 election as well as coverage of events such as the coronavirus pandemic and the respective travails of the increasingly split two major political parties This readable and comprehensive introduction will be of key interest to A level students undergraduates and those new to the study of British politics

Recreating the American Republic Charles A. Kromkowski, 2002-09-16 Rules of apportionment are elements of social and political order In social gatherings families and governments they assume a variety of written and unwritten forms and in every order they determine not only how collective decisions are made but also how and why a particular constitutional order develops over time Recreating the American Republic provides a far reaching analysis of when how and why these rules change and with what consequences Recreating the American Republic reveals the import of these rules of apportionment by engaging the three most widely recognized and studied eras and events of American political history the Colonial era and the American Revolution the early national years and the 1787 Constitutional Convention and the nineteenth century and the American Civil War Recreating the American Republic systematically compares each seemingly familiar era and event revealing new insights and a new metanarrative of American political development between 1700 and 1870

Elite Statecraft and Election Administration T. James, 2012-07-31 The way in which elections are run is changing as radical reforms or experiments have been introduced across the world This book establishes why election administration might be used by political elites to win and maintain power It identifies the role of elite interests in shaping election administration in USA UK and Ireland

A Companion to Life Course Studies Michael E.J. Wadsworth, John Bynner, 2011-03-28 Since the end of the Second World War society has been characterised by rapid and extensive political economic scientific and technological change Opportunities for education employment human relations and good health have all been greatly affected by those changes as have all aspects of life Consequently each post war generation has been like no other before or since Britain uniquely has five large scale life course studies that began at intervals throughout that period They have shown how lives are shaped by individual characteristics their past and current experiences and opportunities and so reflect their times This book describes those fundamental changes that affected life chances differently in each generation and how governments struggled to accommodate the changes with new policies for improving and managing the nation's capital in terms of education family policy health human rights and economics A

Companion to Life Course Studies provides a resource for the interpretation of the findings and design differences in the five studies and the stimulus for new comparisons of life course between these differing generations that would contribute to policy and to understanding The British Commonwealth ,1967 **Algerian Independence and the British Left** Mélanie Torrent,2024-11-14 Based on archives from governments parties organisations and individuals this book investigates the relationship between the British left and Algerian liberation movements during the Algerian War of Independence 1954 1962 It explores the presence of representatives of the Mouvement national algérien MNA and the Front de libération nationale FLN in London where they actively sought support for peace independence from France and the global end of European domination By surveying their interactions with individuals and groups in the anticolonial left including prominent Labour MPs and Trotskyist groups Asian and African associations and students unions Torrent shows how and why solidarity was interpreted differently across the left and in relation to Britain's own end of empire conflicts Tracing connections across Europe and beyond this book demonstrates how the war influenced conceptions of socialism communism and internationalism in Britain what being European meant and what place the Commonwealth should have in a world where armed struggle and liberation diplomacy disrupted boundaries *The Government of England* Abbott Lawrence Lowell,1910
