Behind the Scenes in American Government Peter Woll,1979 *Behind the Scenes in American Government* Peter Woll,1981-01-01 [Behind the Scene in American Government](#) Peter Woll,1979 **Instructor's Manual to Accompany Behind the Scenes in American Government** Peter Woll,1979 **Controversial Issues in Presidential Selection** Gary L. Rose,1991-01-01 This book presents an examination of ten major and controversial issues directly affecting the American presidential selection process These issues are addressed in a point counterpoint format to promote lively discussion and scholarly debate The Introduction argues that the modern process of presidential selection has evolved to a point of crisis and that collapse appears imminent while the Conclusion endorses a proposal that may serve as the first step toward improving the process The entire process of presidential selection is included here the nominating phase the convention phase and the general election phase *Instructor's Manual to Accompany Behind the Scenes in American Government* Peter Woll,1977 *Building the Rule of Law in China* Lin Li,2017-03-21 Building the Rule of Law in China explores the idea that China needs a more globalized and diversified vision for the science of law presenting the need to think differently from the two major western mainstream legal cultures the Anglo American and the continental systems Other globalized universalized and diversified models and experiences in the rule of law from diverse civilizations have much to offer China Through learning from the strengths exhibited by systems in countries with a very developed and well organized rule of law and absorbing essential aspects from different countries China might be well positioned to promote the development of the rule of law in a robust and comprehensive manner This book explores the topic from several perspectives giving the reader an up to date resource on the ever evolving vision for the science of law in China Explores the situation of rule of law in China as it currently stands Presents a case that China must look beyond the two western systems of law for a more globalized vision Gives analysis on the contemporary situation and insight into the near future Presents a particular perspective on the rule of law in China by a scholar closely involved with its actual development Translates into English providing a new and valuable perspective to an English speaking readership [The Chinese Road of the Rule of Law](#) Lin Li,2018-06-06 This book studies the practical experience and theoretical development of rule of law in China and provides fundamental theory for the construction of rule of law in contemporary China The author examines the rule of law by exploring the entire legal system and highlighting various aspects including the legislation law enforcement and supervision systems Readers will also discover the author s strong opinions on scientific legislation legal government judicial reform and the culture of rule of law This highly readable book will appeal to both general readers and researchers interested in rule of law in China **The American Political Science Review** ,1984 **World Politics, Human Rights, and International Law** Francis A. Boyle,2021-02-04 World Politics Human Rights and International Law examines the functional dynamics between these concepts based upon the author s professional experiences dealing with real world situations problems and

crises from the Bush Obama and Trump administrations Iraq Iran Palestine Israel and Syria Bosnia and Herzegovina successfully litigating genocide at the World Court indicting Slobodan Milosevic at the International Criminal Tribunal for the Former Yugoslavia prosecuting American torture and enforced disappearances at the International Criminal Court opposing nuclear chemical and biological weapons citizen civil resistance against state crimes protecting Indigenous Peoples etc The reader can see how the author defined these predicaments from the perspective of international law and human rights and then proceeded to grapple with them and to rectify them This book demonstrates the power of international law and human rights to make a positive difference for international peace and justice as well as for the good of humanity in the real world of international power politics By reading this book the citizen will be empowered and inspired to do the same
