The Secret Window Betty Ren Wright,2015-07-07 Meg s dreams seem to predict the future but can she make a better future for herself Filled with sensitivity and warmth Children s Book Review Service It was crazy to have dreams that came true If you talked about them it d upset the people you loved and make them angry Meg had learned something bad about herself an ugly secret And so she decided to keep the dreams to herself writing them down in a special notebook Sometimes her dreams were pleasant but other times they were disturbing especially the one about the cave with the blue light When Meg s worst dreams begin to come true she s convinced they bring bad luck Why else would her father move out to find himself or her best friend desert her for a rowdy crowd of older kids Meg s grandmother and a wonderful new neighbor finally help her realize that her secret window into the future can bring good luck if understood properly

Coping with Hunger and Shortage under German Occupation in World War II Tatjana Tönsmeier,Peter Haslinger,Agnes Laba,2018-06-22 This volume demonstrates how German expansion in the Second World War II led to shortages of food and other necessities including medicine for the occupied populations causing many to die from severe hunger or starvation While the various chapters look at a range of topics the main focus is on the experiences of ordinary people under occupation their everyday life and how this quickly became dominated by the search for supplies and different strategies to fight scarcity The book discusses various such strategies for surviving increasingly catastrophic circumstances ranging from how people dealt with rationing systems to the use of substitute products and recycling barter black marketeering and smuggling and even survival prostitution In addressing examples from Norway to Greece and from France to Russia this volume offers the first pan European perspective on the history of shortage malnutrition and hunger resulting from the war occupation and aggressive German exploitation policies

Behind the Stained-Glass Window Patzi Raven,2003-03-17 At St Philomena Academy convent school Aurora

finds more than just religious mystery to explore. The arbitrary cruelty the nuns inflict upon the pupils and the shameful secrets that lie dormant in the academy provoke Aurora and her close knit group of friends to ingenious feats of cunning and guile. In *Behind the Stained Glass Window* Patzi Raven allows the reader to witness the workings of a world where the oppression of children is institutionalized and the rites of growing up are soiled by guilt. In prose that weaves the past and present into an almost Proustian translucence, Raven takes on the urgent themes of adolescent piety, sexual awakening and the intensity of female friendship. Against the austere backdrop of the convent, a charming and touching tale emerges of the persistence of the sense of justice and the value of friendship through time.

The Billionaire : Behind the suit is a secret desire Lysandra Vexley, When Ivy Tran moves into a quiet New York brownstone the last thing she expects is a next door neighbor who owns half the skyline and acts like it. Adrian Cole is a ruthless billionaire CEO with a razor smile and a rulebook for everything until a laugh turned tumble on her couch melts the distance between them and ignites a spark neither planned for. What begins as teasing banter and inconvenient proximity becomes a slow burn of late night rescues, accidental sleepovers and a chemistry that keeps breaking their rules. But Adrian's empire is built on secrets and Ivy's past holds one of her own. In a city where power is currency they'll have to decide what's worth risking: his spotless reputation, her carefully rebuilt life or the kind of love that makes you forget to breathe.

MH370 The Secret Files - At Last...The Truth Behind the Greatest Aviation Mystery of All Time Nigel Cawthorne, 2016-03-03 On March 8, 2014, Malaysia Airlines Flight 370 took off from Kuala Lumpur International Airport bound for Beijing. Less than an hour after take off, somewhere over the South China Sea, the plane simply vanished. One eyewitness saw a burning object crash into the sea. But confusing radar signals traced an aircraft taking an erratic course across the Malaysian peninsula, then on to the Andaman Sea. Did it crash there? Or did it fly on to land safely in disputed lands of Central Asia or the top secret CIA black site on Diego Garcia? Two years later, the Australians are still searching at the cost of billions and have found nothing. Was the search in such a remote place part of a cover up to distract the world's attention because the US Navy had in fact shot the plane down? The answer must be out there. Or perhaps hidden within the pages of the secret files.

Hiding Behind a Window Laura Chill, 2021-05-28 *Hiding Behind a Window* is a memoir of the author's personal experience of surviving childhood sexual assault (CSA) and how, through reclaiming the past, she found empowerment. Through her story, the book allows the reader to explore the topic of complex trauma throughout the narrative while framing it within the life of a survivor. The book also provides up-to-date references regarding the psychology and neuroscience of trauma, as well as resources for survivors of CSA and their families. The book is a source of community for survivors to relate to a shared experience, to know that they are not alone. This book encourages the reader to find their voice, speak out against injustice, and advocate for the end of the silence and stigma surrounding sexual abuse.

Behind the Tall Walls: from Palace to Prison Azar Aryanpour, 2000-11-15 *Third Man Out* is a suspense mystery filled with action. The plot revolves around Destiny Morgan and
