Behind The Sun The Diary And Art Of Hillel Slovak:

Behind the Sun James Slovak, Hillel Slovak, 1999-08-01 **Focus On: 100 Most Popular American Rock Guitarists**
Wikipedia contributors, **Fornication: The Red Hot Chili Peppers Story** Jeff Apter, 2009-12-15 Here is the extreme story of the indestructible LA group from their early funk days to eventual success as one of America's top selling bands. Despite an epic reputation for exhibitionism, drug taking and debauchery through it all the Chili Peppers have continued to produce records that shock, challenge and intrigue their fans. Author Jeff Apter has interviewed dozens of people, many speaking openly for the first time who have moved in and out of the Chili Peppers circle over the past three decades. He has spoken with former Chili Peppers' life long friends, classmates, family members, album producers and music business insiders as he plots the band's rise from Hollywood latchkey kids willing to test drive any drug or woman they could score to the camomile tea sipping superstars of today whose only true family is this band. [Red Hot Chili Peppers FAQ](#) Dan Bogosian, 2020-05-15 From their humble beginnings as friends in high school to playing strip clubs in nothing but well placed socks through a struggle to find the right guitarist to the present day Red Hot Chili Peppers FAQ chronicles the adventures of the best selling alternative rock band of all time. No other book goes through each era of the band's history. Unlike other band biographies Red Hot Chili Peppers FAQ digs into the trivia that hardcore fans obsess over: every recorded and unreleased song and their origins, the story behind each band member's every tattoo and every piece of gear each band member past and present has ever used. Ever wonder why current drummer Chad Smith switched drum companies? Or how Flea and Dave Navarro ended up recording with Alanis Morissette on *You Oughta Know*? Just when did Anthony Kiedis meet current guitarist Josh Klinghoffer for the first time? When did Kiedis first try harder drugs? How did Cher end up as a babysitter for young Kiedis? When did Buckethead try out for the band? Who currently owns the mansion where they recorded *Blood Sugar Sex Magik*? All the answers lay in the pages of Red Hot Chili Peppers FAQ.
