Britain Country Lodging On A Budget 1988:

Britain Country Lodging on a Budget 1988 Compilation, 1988 British Budgets 1887-88 to 1912-13 Sir Bernard Mallet, 1913 *Macmillan Directory of UK Business Information Sources* James Tudor, 1992-09-15 The objective of this publication is to provide a one stop guide to business information insofar as that is possible within the confines of a useable book It aims to give guidance on both the published and organisational sources relevant to the needs of the non professional business researcher and provides a listing of worthwhile references and contacts As previously the Directory is organised so that both published sources and information centres are grouped together under their applicable Standard Industrial Classification SIC number and heading This new edition also incorporates NACE classification and correlation tables The second category again includes those UK and pan national organisations which focus on specific discrete industry sectors which limits the number of organisational sources in the directory to those that are most worthwhile **Subject Guide to Books in Print**, 1993 Introduction to the UK Hospitality Industry: A Comparative Approach Bob Brotherton, 2012-09-10 An Introduction to the UK Hospitality Industry a comparative approach is a core text for introductory hospitality modules and courses Unique in its structure this text looks at key aspects and compares them with each sector of the industry to give students a broader and comprehensive view of the topic Key aspects of the industry are discussed including the following areas Management practices Work patterns and employment practices Industry and financial structures IT applications Customers and markets Written in a user friendly style the following features have been incorporated Chapter objectives Case studies Review questions Chapter conclusions Further reading and bibliography Contributors to this text are amongst the most highly acclaimed in the hospitality field and bring with them a wealth of knowledge **Justification of the budget estimates, Navy, Defense agencies, and NATO** United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction Appropriations, 1989 *Lodging and Restaurant Index*, 1988 *The Seaside, Health and the Environment in England and Wales since 1800* John Hassan, 2016-12-05 The seaside has always held a special position in British history as a place of rest relaxation and recuperation Over the last 200 years many have made their way to the coast attracted by the long sunshine hours the clean ozone charged air and the opportunities for bathing in and even drinking sea water Although the early health resort ideal began to give way to more pleasure orientated themes in the nineteenth century the seaside holiday was still regarded by many as a wholesome and invigorating break from inland urban life well into the twentieth century Yet with ever increasing numbers of visitors and rising levels of coastal pollution this was by no means a forgone conclusion The Seaside Health and the Environment in England and Wales since 1800 explores the ways in which English seaside resorts continually reinvented themselves to take account of contemporary trends in popular leisure and maintain their hold on the public s imagination Particular account is paid to the interwar years when new obsessions with outdoor activities such as sunbathing and tanning were purposefully adopted by the industry to define the

modern image of the resort holiday For these and other reasons the seaside holiday reached new peaks of popularity in the 1930s and 1950s yet this very success placed enormous pressures on the environmental amenities that people came to enjoy As this work shows environmental stresses were manifold particularly pollution of the resorts prime assets their beaches As such serious questions are raised concerning why it took such a long time for a determined effort to be made to reverse beach pollution and the lessons to be learned regarding the impact of negative images of the coast as a zone of danger and infection

The Evolution of British Strategic Policy, 1919-26 John Robert Ferris, 1989-06-18 A study of the connections between Britain's foreign financial and military policies during the 1920s calling for a radical reassessment of the perceptions of this critical period The author argues that Britain did not follow a single strategic policy but many different ones
