Britain Nato And Nuclear Weapons Alternative Defence Versus Alliance Reform:

Britain, NATO and Nuclear Weapons Ken Booth, John Baylis, 1989-01-13 An examination of nuclear arms control and defence containing papers that present opposing sides of the debate Nuclear deterrence Britain's defence budget the state of Anglo American relations NATO strategies and Mr Gorbachev's security arrangements in Europe proposals are discussed

Britain and Defence 1945-2000 Stuart Croft, Peter Dorman, 2014-06-06 This text provides a concise thematic introduction to the evolution of British defence policy since the end of the second world war *North Atlantic Treaty Organization* Phil Williams, 2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the last forty years are discussed **Britain's International Role, 1970-1991** Michael J Turner, 2010-10-06 How does one of the world's greatest powers preserve its status and influence when international conditions are unfavourable and its resources do not match its commitments This was Britain's burden in the 1970s and 1980s when the international order was transformed Much became unsettled and Britain had to adapt policy to suit new needs and opportunities Michael J Turner elucidates the efforts that were made to maximise Britain's role on those matters and in those parts of the world that were of special importance to British strategy prosperity and security He examines key decisions and their consequences and places British policy making in an international context suggesting that British leaders were more successful in preserving power and prestige on the world stage than has sometimes been appreciated **NATO's Changing Strategic Agenda** Colin McInnes, 2021-01-26 This book first published in 1990 is an incisive examination of NATO's strategy for the defence of the central front the concern that has lain at the heart of NATO since its formation Politically the central front marked the post war division of Europe into two competing blocs militarily it has represented the area of greatest force concentration and greatest threat As NATO's strategic agenda changed with the end of the Cold War the central front remained a critical concern This book analyses the structure strategy and doctrines of both East and West and examines the relationship of NATO strategy to conventional force doctrines International commissions and the power of ideas Editors: Ramesh Thakur, 2006 A Global History of the Nuclear Arms Race Richard Dean Burns, Joseph M. Siracusa, 2013-04-23 Written by two preeminent authors in the field this book provides an accessible global narrative of the nuclear arms race since 1945 that focuses on the roles of key scientists military chiefs and political leaders The first book of its kind to provide a global perspective of the arms race this two volume work connects episodes worldwide involving nuclear weapons in a comprehensive narrative fashion Beginning with a discussion of the scientific research of the 1930s and 1940s and the Hiroshima decision the authors focus on five basic themes political dimensions technological developments military and diplomatic strategies and impact The history of the international nuclear arms race is examined within the context of four historical eras America's nuclear monopoly America's nuclear superiority superpower parity and the post Cold War era

Information about the historical development of the independent deterrence of Britain France and China as well as the piecemeal deterrence of newcomers Israel India Pakistan and North Korea is also included as is coverage of the efforts aimed at the international control of nuclear weapons and the diplomatic architecture that underpins the global nuclear non proliferation regime

Weapons of Mass Destruction Eric A. Croddy, James J. Wirtz, Jeffrey A. Larsen, 2004-12-22 The first accessible reference to cover the history context current issues and key concepts surrounding biological chemical and nuclear weapons A collection of information on everything from aerosols to zones of peace these two volumes cover historical background technology and strategic implications of biological chemical and nuclear weapons thus providing facts terms and context needed to participate in contemporary policy debate This encyclopedia is the only comprehensive reference dedicated to the three types of weapons of mass destruction With over 500 entries arranged alphabetically volume one covers biological and chemical weapons while volume two focuses on nuclear weapons Experts from eight countries cover issues related to these weapons policies strategies technologies delivery vehicles arms control concepts treaties and key historical figures and locations Entries are written to make difficult concepts easy to understand by cutting through military and scientific jargon Students lay readers scientists and government policy makers are provided with the broad range of information needed to place today's policy discussions in proper strategic or historical context

Defensive Restructuring of the Armed Forces in Southern Africa Bjørn Møller, Gavin Cawthra, 2019-01-15 Published in 1997 the work explores the reorientation of security policies and the accompanying restructuring of the armed forces going on in Southern Africa under entirely new circumstances Democracy has come to South Africa the civil wars in Angola and Mozambique have ended and the region is establishing a regional framework for cooperation While covering the entire region a special focus is placed on South Africa which is predestined to play a leading role but which is struggling with the legacy of the apartheid regime and its repeated aggressions against neighbouring states A defensive restructuring of the South African military is an element in the building of mutual trust The implications of such defensive restructuring to a non offensive defence are described in detail In addition to the analytical contribution the work also contains central documents and a bibliography

Concepts of Non-Provocative Defence G. Wiseman, 2001-12-18 This book examines the viability of non provocative defence the controversial idea that defensive military policies and practices reduce the risk of wars and provide a viable basis for defending a society should war break out Drawing on case studies from Europe the 1991 Persian Gulf War and Asia Pacific the author concludes that non provocative defence concepts remain relevant and that they can help in deterring conducting and settling wars
