**Alfred W. Pollard**

## **British Rebels Reformers:**

**British Rebels and Reformers** Harry Roberts, 1942      Rebels, Reformers, and Revolutionaries Douglas R. Egerton, 2013-09-13 This collection of essays examines the lives and thoughts of three interrelated Southern groups enslaved rebels conservative white reformers and white revolutionaries presenting a clear and cogent understanding of race reform and conservatism in early American history      **British rebels and reformers** Harry Roberts, 1942      Reformation in Britain and Ireland Felicity Heal, 2003 The study of the Reformation in England and Wales Ireland and Scotland has usually been treated by historians as a series of discrete national stories Reformation in Britain and Ireland draws upon the growing genre of writing about British History to construct an innovative narrative of religious change in the four countries three kingdoms The text uses a broadly chronological framework to consider the strengths and weaknesses of the pre Reformation churches the political crises of the break with Rome the development of Protestantism and changes in popular religious culture The tools of conversion the Bible preaching and catechising are accorded specific attention as is doctrinal change It is argued that political calculations did most to determine the success or failure of reformation though the ideological commitment of a clerical elite was also of central significance      **The National Reformer** , 1867      *English Rebels and Revolutionaries* Stephen Basdeo, 2022-06-16 Throughout history brave Englishmen and women have never been afraid to rise up against their unjust rulers and demand their rights Barely a century has gone by without England being witness to a major uprising against the government of the day often resulting in a fundamental change to the constitution This book is a collection of biographies written by experts in their field of the lives and deeds of famous English freedom fighters rebels and democrats who have had a major impact on history Featured chapters include the history of Wat Tyler s Rebellion when an army of 50 000 people marched to London in 1381 to demand an end to serfdom and the hated poll tax Alongside Wat Tyler in this pantheon of English revolutionaries is Jack Cade who in 1450 led an angry mob to London to protest against government corruption There are three chapters on various aspects of the English Civil War during which the English executed their king Other rebel heroes featured include Thomas Paine the great intellectual of the American and French Revolutions Mary Wollstonecraft author of *The Rights of Woman* Henry Hunt who as well as the Chartists after him campaigned for universal suffrage William Morris the visionary designer and socialist thinker and finally the Suffragettes and Suffragists who fought for women s voting rights      **Popular Politics and the English Reformation** Ethan H. Shagan, 2003 This book is a study of popular responses to the English Reformation It takes as its subject not the conversion of English subjects to a new religion but rather their political responses to a Reformation perceived as an act of state and hence like all early modern acts of state negotiated between government and people These responses included not only resistance but also significant levels of accommodation co operation and collaboration as people attempted to co opt state power for their own purposes This study argues then that the English Reformation was not done to people it was done with them in a

dynamic process of engagement between government and people As such it answers the twenty year old scholarly dilemma of how the English Reformation could have succeeded despite the inherent conservatism of the English people and it presents a genuinely post revisionist account of one of the central events of English history     *A Memorial of the Reformation, chiefly in England, and of Britain's deliverances from popery and arbitrary power, since that time, to the year 1716, etc* Benjamin BENNET,1717     **Thomas Cranmer and the English Reformation, 1489-1556** Alfred W. Pollard,2004-09-14     **Lives of the British Reformers** George Stokes,1873
