British Immigration Courts A Study Of Law And Politics:

The British Immigration Courts Max Travers, 1999-07-28 This study examines the work in the court system that hears appeals from immigrants and asylum seekers against decisions made by the British government It considers the administrative problems and the perspective of pressure groups and politicians

The British Immigration Courts M. H. Travers, Economic and Social Research Council, The British Immigration Courts Travers, Max, 1999-07-28 Immigration has been a controversial and contentious area of public policy since the Commonwealth Immigration Act ended most primary immigration in 1962 This study looks in detail at the work of practitioners in the court system that hears appeals from immigrants and asylum seekers against decisions made by the British Government The book contains chapters about decision making in primary purpose and the asylum appeals the administrative problems faced by successive British governments and the perspectives of pressure groups and politicians The British Immigration Courts transforms our understanding of immigration as a political issue through preserving a sense of routine work in the courts civil service and political process which is ignored or idealised by other approaches It is essential reading for practitioners academics and students interested in current debates about policy

Migrants and the Courts Geoffrey Care, 2016-04-22 Written in a lively and engaging style from the perspective of a leading immigration judge this book examines how states resolve disputes with migrants The chapters reflect on changes in the laws and rules of migration on an international and regional basis and the impact on the parties administration public and judiciary The book is a critical assessment of how the migration tribunal system has evolved over the last century the lessons which have been learnt and those which have not It includes additional comparative contributions by authors on international jurisdictions and is a valuable overview of the evolution and future of the immigration tribunal system which will be of interest to those involved in human rights migration transnational and international law

Anthropology and Expertise in the Asylum Courts Anthony Good, 2007-03-12 Offering an analysis of asylum processes in UK courts this study of asylum as an aspect of globalization focuses on the role of anthropologists as expert witnesses and compares the use of social scientific and medical evidence in decision making

An Immigration History of Britain Panikos Panayi, 2014-09-11 Immigration ethnicity multiculturalism and racism have become part of daily discourse in Britain in recent decades yet far from being new these phenomena have characterised British life since the 19th century While the numbers of immigrants increased after the Second World War groups such as the Irish Germans and East European Jews have been arriving settling and impacting on British society from the Victorian period onwards In this comprehensive and fascinating account Panikos Panayi examines immigration as an ongoing process in which ethnic communities evolve as individuals choose whether to retain their ethnic identities and customs or to integrate and assimilate into wider British norms Consequently he tackles the contradictions in the history of immigration over the past two centuries migration versus government control migrant poverty versus social mobility ethnic identity versus increasing Anglicisation

and above all racism versus multiculturalism Providing an important historical context to contemporary debates and taking into account the complexity and variety of individual experiences over time this book demonstrates that no simple approach or theory can summarise the migrant experience in Britain Queering Asylum in Europe Carmelo Danisi, Moira Dustin, Nuno Ferreira, Nina Held, 2021-08-31 This two volume open access book offers a theoretically and empirically grounded portrayal of the experiences of people claiming international protection in Europe on the basis of their sexual orientation or gender identity SOGI It shows how European asylum systems might and should treat asylum claims based on people's SOGI in a fairer more humane way Through a combined comparative interdisciplinary socio legal human rights feminist queer and intersectional approach this book examines not only the legal experiences of people claiming asylum on grounds of their SOGI but also their social experiences outside the asylum decision making framework The authors analyse how SOGI related claims are adjudicated in different European frameworks European Union Council of Europe Germany Italy and UK and offer detailed recommendations to adequately address the intersectional experiences of individuals seeking asylum This unique approach ensures that the book is of interest not only to researchers in migration and refugee studies law and wider academic communities but also to policy makers and practitioners in the field of SOGI asylum *Regulating Marriage Migration into the UK* Helena Wray, 2016-04-08 Marriage migration is a controversial and problematic issue in the UK as elsewhere in Europe This timely analysis is a comprehensive examination of the regulation of marriage migration into the UK With international relevance the book uses the analysis to examine the relationship between government priorities and the dynamics of transnational family life The book is one of the first to scrutinise the control of UK marriage migration after 1997 and explores the dilemmas faced by the post 1997 government in managing this form of migration in a changed domestic and international environment Using high quality sources from across the political spectrum it analyses regulatory decisions made by government the judiciary and the visa service and suggests that there is an unofficial and unarticulated hierarchy predicated on assumptions and beliefs about acceptable marriages Finally the book establishes a principled basis for the future regulation of marriage migration **Courtroom Ethnography** Lisa Flower, Sarah Klosterkamp, 2023-11-27 This book provides a comprehensive and interdisciplinary examination of courtroom ethnography This collection gathers international researchers from a multitude of disciplines to explore three central themes doing courtroom ethnography ethnographic studies of the courtroom and contemporary and critical aspects of courtroom ethnography It highlights the nuances negotiations and issues that ethnographic researchers face in the courtroom It covers topics like how to study legal actors and lay participants legal and social processes norms and rulings digitalisation and vulnerability gender and inequalities and more across a range of legal cases It presents the current state of the art of the field of courthouse ethnography with a discussion of methodological challenges modes of access and best practice examples With practical tips questions at the end of each chapter it speaks to students and above in subjects including sociology criminology law

geography sociology of law conflict studies socio legal studies and beyond **Qualitative Research Through Case Studies** Max Travers, 2001-07-23 Qualitative Research Through Case Studies provides an accessible introduction to a wide range of approaches that deal with the theoretical analysis of qualitative data
