Bits of Organization Alison Pullen, Carl Rhodes, 2009 The academic study of organizations is in a condition of heterodoxy where diverse methods and theories collide and compete gathered together only in the broken net of a name This book assembles some of the bits that break off in the process of this collision It plays with the already contested boundaries correct images and correct narratives of a legitimate organization studies so as to attest to a destabilization of any theory and method that would desire to capture reproduce and indoctrinate knowledge The book brings together a group of original thinkers and writers who push the boundaries of innovative and unconventional work as governed by prevailing standards in the dominant bastions of organization studies

The Mahabharata, 2015-06-01 The Greatest Story Ever Told Dispute over land and kingdom may lie at the heart of this story of war between cousins the Pandavas and the Kouravas but the Mahabharata is about conflicts of dharma These conflicts are immense and various singular and commonplace Throughout the epic characters face them with no clear indications of what is right and what is wrong there are no absolute answers Thus every possible human emotion features in the Mahabharata the reason the epic continues to hold sway over our imagination In this superb and widely acclaimed translation of the complete Mahabharata Bibek Debroy takes us on a great journey with incredible ease

Invitation To Love Ivonne Delaflor, 2005 Follow the Sanatan Dharma the Eternal Religion of Prema Divine Love and the one and only that can only be found in your heart And remember YOU must guide others to it through love simplicity and truth That is the only way That is the unspoken eternal and nameless way Always remember that no time is ever wasted except for the time that one is not loving Move out of the house of ignorance There are better places to live Ring ring Wake up The Buddha nature and Christ like energy within are ready to be reawakened in all Become like a child Enter the kingdom of heaven The Christ and Buddha nature are within So where is the kingdom Excerpted from Invitation to Love 108 Reminders for the Enlightened Ones The greatest blessing in my life was the gift of being in the physical presence of Babaji in Herrekhan in 1980 One day he said that he would be leaving his body I asked him if he would still come to me if I asked He simply looked at me and smiled knowingly and said Of course Recently my work healing moved to a new level Some of the recent miracles have been so powerful as to leave me shaky I could only turn to God to keep myself stable and humble and so I asked for his advice Well he has answered my request And I imagine he will answer the prayers of many others through the writings of Ivonne Delaflor In them I recognize his voice his humor his teaching Thank you Babaji And thank you Ivonne for being such an open channel Dan Brul Guchu Ram Singh www.breathmastery.com

Death in the Afternoon Ernest Hemingway,2014-05-22 Still considered one of the best books ever written about bullfighting Death in the Afternoon is an impassioned look at the sport by one of its true aficionados It reflects Hemingway s conviction that bullfighting was more than mere sport and reveals a rich source of inspiration for his art The unrivaled drama of bullfighting with its rigorous combination of athleticism and artistry and its requisite display of grace under pressure ignited Hemingway s imagination Here he describes and explains the technical aspects of this dangerous ritual and the emotional and spiritual intensity and pure classic beauty that can be produced by a man an animal and a piece of scarlet serge draped on a stick Seen through his eyes bullfighting becomes a richly choreographed ballet with performers who range from awkward amateurs to masters of great elegance and cunning A fascinating look at the history and grandeur of bullfighting Death in the Afternoon is also a deeper contemplation of the nature of cowardice and bravery sport and tragedy and is enlivened throughout by Hemingway s sharp commentary on life and literature
