Brahms Sonatas:

Brahms's Violin Sonatas Joel Lester, 2020 Notation in Johannes Brahms's sonata scores tells violinists and pianists far more than merely what pitches to play and how long to play them if read carefully these scores reveal an immense amount of expression both of musical and human essences Joel Lester's Brahms's Violin Sonatas magnifies key passages from these scores revealing in clear and accessible language how the composer built his themes and musical narratives and how ultimately Brahms's music came to sound Brahmsian Through close readings and annotated musical examples Brahms's Violin Sonatas guides practitioners to read scores with care and to develop their own informed interpretation of the pieces eschewing the notion of a single correct interpretation of the historical score By exploring not only the sonatas musical elements but also their relationship to important events in the composer's life Lester shows how subtle components can communicate the gestures moods personalities and emotions that make Brahms's music so compelling A companion volume to the author's award winning 1999 study *Bach's Works for Solo Violin Style Structure and Performance* OUP Brahms's Violin Sonatas is a clear and practical guide to understanding and performing Brahms's music in the present

Brahms's Violin Sonatas Joel Lester, 2020-08-21 Brahms's Violin Sonatas explores key passages of the composer's sonata scores and reveals in clear and accessible language the historical and musical nuances behind their composition
