Brand New Friend:

This Man's Journey Linda C. Williams,2002-10-31 This poetry book was an assignment which was given from God with much clarity and understanding This book of poems is a journey through trails and tribulations with a positive message that states that you can do anything if you just believe and receive This book displays three stages the two main ones being a middle aged teenager and the evolution into a young adult The title of the book I m here 4 a reason was given from God helping me deal with a question that people often ask why am I truly here In working on this book I came to grasp with understanding my purpose

Give Me Everything You Have James Lasdun,2025-06-25 A true story of obsessive love turning to obsessive hate in the crucible of the digital age Give Me Everything You Have chronicles author James Lasdun s strange and harrowing ordeal at the hands of a former student a self styled verbal terrorist who began trying in her words to ruin him Hate mail online postings and public accusations of plagiarism and sexual misconduct were her weapons of choice and as with more conventional terrorist weapons proved remarkably difficult to combat James Lasdun s account while terrifying is told with compassion and humor and brilliantly succeeds in turning a highly personal story into a profound meditation on subjects as varied as madness race Middle East politics and the meaning of honor and reputation in the Internet age

The Throwback List Lily Anderson,2021-10-05 Welcome to Sandy Point Oregon a sleepy beach town that s home to a giant anchor statue a sometimes karaoke bar and Frosty s questionably legendary Sunday Sundae Surprise A town Jo Autumn and Bianca thought they d left far behind when they graduated high school finally moving on to greener pastures than the midway point for tourists heading to the Goonies house But life seldom goes according to plan Bianca Boria Birdy former prom queen and valedictorian has always been an overachiever As she juggles managing the family tattoo parlor caring for her grandmother and adjusting to a new marriage Bianca s schedule becomes stricter than ever with no room for disruption What she really needs is a vacation but not even Bianca Boria Birdy can achieve the impossible Autumn Kelly used to be an actress Now she teaches drama at Sandy Point High She may have had to kiss her movie star dreams goodbye but molding the next generation of performers has given her life meaning in a whole new way Until the sudden reappearance of her ex best friend throws everything off balance Jo Freeman has it all together With a cool job in Silicon Valley connections at the trendiest fitness studios and a down payment on her dream condo she s well on her way to reaching every one of her goals before thirty Or she was before she got fired and landed right back home with her parents and teenage sister When Jo finds an old bucket list in her childhood bedroom it sets the three women on a path that brings them closer to one another with each task And it just might lead to a life none of them could have planned

Parallels from Venus and Mars Natalia Moulton,2022-03-17 Poetry Parallels from Venus and Mars is a modern day

presentation of life experiences observations and hurdles that people overcome It is thought provoking with some spiritual associations inspiration and everyday realness The authors life journeys goals and aspirations personify thoughts throughout the collection Some pieces were influenced by public surveillance on the New York City subway lines with a colorful twist The subway is rigged with wild behaviors and surprises by dramatic characters perfect for endless storytelling There are daily performances by musicians and dancers not to mention the ghastly scene of homelessness that leaves a burning impact on certain individuals while others have acclimated to this culture Other pieces showcase the importance of faith as well as the inner struggles that many encounter The authors have surpassed many tests and struggles and have proven that resilience strengthens foundations They will continue to produce more poetry as they climb the mountainous terrains of life

The Prince and the Delida The Prince and the Peasant Meowstopheles,2024-06-24 In a mystical world still recovering from a great war where generations of countless species suffered a very pretty albeit apathetic child prince is haunted by a malicious shadow monster and unable to connect with those around him As the young prince slowly grows his eccentric father the immature king devises a plan to get his son a friend and a local festival competition lands a peasant boy the grand prize of the prince himself The peasant boy Rar has struggles of his own being only half human in a society of humans While being constantly surrounded by those who hate him for being a delida halfling Rar is shocked disappointed and angry when he finds out that his marvelous prize is the prince Rar s worries of being the prince s pet quickly fade after he discovers that the cold seeming prince cares a lot more than he seems and the two quickly become best friends Prince Lucius and Rar have lots of fun together even with the Shadow Monster clinging to the prince and a mysterious Dark Figure following the two around The Dark Figure appears everywhere and although more often than not is unseen and unheard by the two boys seems to have more than a hand involved with the world around them After a massive festering flesh monster attacks Rar starts to accept the fact that even though Prince Lucius is a boy he still has feelings for him But how do you tell your best friend you like them Especially when everyone knows that princes like princesses not peasant boys Then two princes from a neighboring kingdom visit Prince Lucius is Rar being replaced With social structures judgmental jesters worried mothers and an endlessly disappearing reappearing Dark Figure will the two friends manage to stay friends or possibly even find love within their friendship or will the two end up meeting a fate far worse than death [Navigating the Messy Middle](#) Ann Douglas,2022-10-01 Roughly 68 million North American women currently grapple with the challenges of midlife faced with a culture that tells them their best before date has long passed In [Navigating the Messy Middle](#) Ann Douglas pushes back against this toxic narrative providing a fierce and unapologetic book for and about midlife women In this deeply validating and encouraging book Douglas interviews well over one hundred women of different backgrounds and identities sharing their diverse conversations about the complex and intertwined issues that women must grapple with at midlife from family responsibilities to career pivots health concerns to building community Readers will find a book that

offers practical evidence based strategies for thriving at midlife coupled with compelling first person stories Offering purpose and meaning in a life stage that can otherwise feel out of control Douglas pushes back against the message that women at midlife are no longer relevant and needed highlighting the far reaching economic political and social impacts of these messages and providing a refreshing counter narrative that maps out a path forward for women at midlife Both a midlife love letter and a lament Navigating the Messy Middle both celebrates the beauty and rages at the many injustices of this life stage and provides readers with the tools to chart their own course
