Bread of Life ADEWALE. ORIADE, 2022-08-30 Bread of Life is a title Jesus Christ used to describe himself in John 6 35 I am the bread of life Whoever comes to me will never be hungry again Whoever believes in me will never be thirsty NLT The phrase I am the bread of life is one of several I Am statements that Jesus spoke in the book of Gospel of John Throughout the Bible bread is a symbolic representation of God s life sustaining provision When Jesus told the hungry crowds that he was the Bread of Life he was teaching his followers that He alone was their true source of spiritual life both in this present world and in the everlasting life to come The Bread of Life that Jesus represents never perishes spoils or runs out In John 6 Jesus fed a large crowd far more than 5 000 people with just five loaves of barley bread and two fish John 6 1 15 This miracle astounded the people who declared that Jesus was a great prophet the one they had been expecting But when Jesus saw that the people wanted to force him to be their king he quietly slipped away to be alone in the hills The next day the crowds went in search of Jesus not because they had understood his miracle but because he had filled their appetites The people were caught up in the day to day treadmill of getting their needs met and providing food for their hungry bellies But Jesus was concerned with saving their souls He told them Don t be so concerned about perishable things like food Spend your energy seeking the eternal life that the Son of Man can give you John 6 27 NLT Believing in Jesus Christ as the source of our spiritual existence is how we gain eternal life John 3 16 When we put our faith in him he gives us spiritual bread that will not spoil and abundant life that will never end Jesus wanted the people to comprehend who he was The true bread of God is the one who comes down from heaven and gives life to the world John 6 33 NLT Again the crowd asked for a miraculous sign like when Moses gave the people manna to eat in the wilderness The crowds still saw Jesus merely as someone who could meet their physical needs So Jesus responded with this powerful and profound truth I am the bread of life that came down from heaven John 6 41 Christ explained that anyone who came to him in saving faith would never be hungry or thirsty again God would not reject them for it was his will that all should come to faith in him verses 37 40 The listeners knew that Jesus by claiming to come from heaven was declaring that he was God He was the real Bread of Heaven the ever present daily Manna the lifegiving eternal source of provision for today tomorrow and all eternity The people wanted this bread but when Jesus explained that he himself was the Bread they became more and more offended Their offense turned to revulsion when Jesus explained that he had come to give his flesh and blood to sacrifice His life so that the world could have eternal life John 6 51 He declared I tell you the truth unless you eat the flesh of the Son of Man and drink his blood you cannot have eternal life within you John 6 53 NLT The teaching was so difficult to understand that many of his disciples deserted him Only those whose spiritual hearts had been opened could comprehend that to eat Christ s flesh and drink his blood meant to grasp by faith the significance of Jesus death on the cross Lesson It is the death of Jesus Christ that takes away the curse of sin and rescues those who receive his forgiveness from spiritual death Christ s sacrifice on the cross enables us to receive eternal life To all who believe in him and accept him as Savior He is the Bread of Life The Bread of Life: Or Saint Thomas Aquinas on the Adorable Sacrament

of the Altar Saint Thomas Aquinas, Aeterna Press, There is a very beautiful treatise of St Thomas Aquinas on the adorable Sacrament of the Altar It is hard to know which to admire more the fulness and precision of its arrangement or the way in which he brings in the words of the Holy Ghost from the Sacred Scriptures From this treatise and nearly always in its very words I have arranged these Meditations for the Servants of the Holy Ghost In fact all that was needed was to number or letter the divisions of the book so that they could be easily seen The prayers and thanksgivings I have added I have put the teaching of the Saint by itself and the words of the Holy Ghost by themselves In this I have only carried out what St Thomas has himself done in the treatise For the more part he has after stating and explaining his points put the texts by themselves referring to the first point the second point the third point and so on Putting them all together therefore is only carrying out what this Angelic Saint has done Aeterna Press

Bread of Life in Broken Britain Charles Pemberton, 2020-04-30 The return of Christian social service to the centre of British political life through the emergence of the foodbank movement has elicited a range of ecclesial responses However in their urgency and brevity these Church responses fail to systematically integrate political critique and social analysis nor do they undertake a sustained integration of the recent gains in political theology with the realities of our current mixed economy of welfare Charles Pemberton draws on interviews with foodbank users and volunteers to defend and advance a Christian vision of welfare beyond emergency food provision He suggests that behind the day to day struggles of those using foodbanks there are wider much concerns about loneliness marginalisation and the wholesale fragmentation of society

Jesus the Bread of Life Shirley Rocke, 1962 Do you know Jesus is the bread of life Do you know we all need Jesus in our lives one way or another Some of us need Jesus in our lives spiritually to satisfy our hunger and thirst for righteousness which is something only Jesus can give Some of us need Jesus in our lives mentally to heal our mind so it can function the

way it should be Some of us need Jesus in our lives physically to make our bodies whole and some of us need Jesus in our lives financially to provide us with enough Do you know with Jesus everything is possible if you believe If you believe Jesus is the bread of life there is no need for you to prolong your feelings of belief any longer Why Because Jesus already called you by name so what you must do now is take the gift When you do you will become a child of the living God In this book JESUS THE BREAD OF LIFE Shirley Rocke shares her insights about why it is imperative that we surrender ourselves to Jesus the bread of life while we still can Shirley Rocke also shares inspirational scripture references Bible stories prayers and so much more Someone once said Life is what you make it Well yes but what he or she failed to say is this We cannot make life without Jesus the bread of life Shirley Rocke is the author of four books Shirley Rocke s passion for writing spiritual books came to her when she became a child of God Since then God has given Shirley Rocke a vision which is based on her book named The Lord Is My Shepherd Shirley Rocke lives in New York with her four children seven grandchildren and one great grandchild Shirley Rocke told that she wrote this book named JESUS THE BREAD OF LIFE because she was compelled to do God s will

ULU: Bread of Life B. David Williams, 2003-12-15 Stories examples parables metaphors and humor support the sixty three reflections on biblical texts from the Revised Common Lectionary The author uses a theme approach addressing issues and questions sometimes overlooked in preaching balancing private personal spirituality with the social and corporate Open minded and ecumenical in tone ULU reflects the theology of one firmly planted in the Wesleyan tradition where scripture tradition experience and reason insist upon openness to the new things that God is doing and where believers seek to work actively for the transformation of creation according to the values and the vision of the realm of God Twenty original monochrome photos by the author are distributed between chapters

AUTHOR S INTRODUCTION I m convinced that the Gospel enters our experience with the most sharpness and clarity at the points of the pain and passion of our life encounters As a comfortable middle class straight white male American Christian I ve had virtually everything to learn from the people to whom I ve been sent Experiences in the Philippines and Pacific Islands those while working with the World Hunger Emphasis of The United Methodist Church and while assigned to ecumenical organizations have had profound impact upon my faith and my approach to Bible study and worship preparation Serving as pastor of congregations that openly welcomed gay and lesbian persons into a full participation have extended this experience I m also convinced that the Gospel most powerfully enters the experience of those to whom we ve been sent when it speaks practical hope to vulnerabilities and pain At their best and as they were intended to be ministries of service are a vital integral part of the task of evangelization which not only involves preaching Good News but BEING Good News Preaching and reflecting are meaningless without serious engagement with real life The simplest of traditional cultures to which I was introduced have helped me in my spiritual journey As a Filipino anthropologist friend said after spending some weeks with the so called Lost Tribe the Tasaday in South Cotabato We ll not realize how much we have to learn from them until we admit to what we ourselves have lost My friends in

traditional indigenous cultures have made me more sensitive to deeper meanings in stories and parables Perhaps they re more aware than we so called educated folk that this is how we transmit our culture and values It s in the stories where we find the greatest richness of the Bible in both the old and New Testaments Jesus constantly taught through story parable and metaphor Taking a shallow literal approach to these causes us to miss the many layers of meanings and themes which the writers intended to be addressed While stories may not prove something they illustrate something and they carry their own conviction It s up to us to incorporate them into our insight and understanding Hearing the stories of others has put me in closer touch with my own May mine do the same for you
