Bread Of Dreams Food And Fantasy In Early Modern Europe:

Bread of Dreams Piero Camporesi, 1996-11-15 In a rich and engaging book that illuminates the lives and attitudes of peasants in preindustrial Europe Piero Camporesi makes the unexpected and fascinating claim that these people lived in a state of almost permanent hallucination drugged by their very hunger or by bread adulterated with hallucinogenic herbs The use of opiate products administered even to infants and children was widespread and was linked to a popular mythology in which herbalists and exorcists were important cultural figures Through a careful reconstruction of the everyday lives of peasants beggars and the poor Camporesi presents a vivid and disconcerting image of early modern Europe as a vast laboratory of dreams Camporesi is as much a poet as a historian His appeal is to the senses as well as to the mind Fascinating in its details and compelling in its overall message Vivian Nutton Times Literary Supplement It is not often that an academic monograph in history is also a book to fascinate the discriminating general reader Bread of Dreams is just that Kenneth McNaught Toronto Star Not religion but bread was the opiate of the poor Mr Camporesi argues Food has always been a social and mythological construct that conditions what we vainly imagine to be matters of personal taste Our hunger for such works should tell us that food is not only good but essential to think and to read as if our lives depended on it which they do Betty Fussell New York Times Book Review

Ritual in Early Modern Europe Edward Muir, 2005-08-18 The comprehensive 2005 study of rituals in early modern Europe argues that between about 1400 and 1700 a revolution in ritual theory took place that utterly transformed concepts about time the body and the presence of spiritual forces in the world Edward Muir draws on extensive historical research to emphasize the persistence of traditional Christian ritual practices even as educated elites attempted to privilege reason over passion textual interpretation over ritual action and moral rectitude over gaining access to supernatural powers Edward Muir discusses wide ranging themes such as rites of passage carnivalesque festivity the rise of manners Protestant and Catholic Reformations the alleged anti Christian rituals of Jews and witches This edition examines the impact on the European understanding of ritual from the discoveries of new civilizations in the Americas and missionary efforts in China and adds more material about rituals peculiar to women

Sense and the Senses in Early Modern Art and Cultural Practice SivToveKulbrandstad Walker, 2017-07-05 Employing a wide range of approaches from various disciplines contributors to this volume explore the diverse ways in which European art and cultural practice from the fourteenth through the seventeenth centuries confronted interpreted represented and evoked the realm of the sensual Sense and the Senses in Early Modern Art and Cultural Practice investigates how the faculties of sight hearing touch taste and smell were made to perform in a range of guises in early modern cultural practice as agents of indulgence and pleasure as bearers of information on material reality as mediators between the mind and the outer world and even as intercessors between humans and the divine The volume examines not only aspects of the arts of painting and sculpture but also extends into other spheres philosophy music and poetry gardens food relics and rituals Collectively the essays gathered

here form a survey of key debates and practices attached to the theme of the senses in Renaissance and Baroque art and cultural practice

Food and Theatre on the World Stage Dorothy Chansky, Ann Folino White, 2015-06-12 Putting food and theatre into direct conversation this volume focuses on how food and theatre have operated for centuries as partners in the performative symbolic and literary making of meaning Through case studies literary analyses and performance critiques contributors examine theatrical work from China Japan India Greece Italy France Germany England the United States Chile Argentina and Zimbabwe addressing work from classical popular and contemporary theatre practices The investigation of uses of food across media and artistic genres is a burgeoning area of scholarly investigation yet regarding representation and symbolism literature and film have received more attention than theatre while performance studies scholars have taken the lead in examining the performative aspects of food events This collection looks across dramatic genres historical periods and cultural contexts and at food in all of its socio political material complexity to examine the particular problems and potentials of invoking and using food in live theatre The volume considers food as a transhistorical global phenomenon across theatre genres addressing the explosion of food studies at the end of the twentieth century that has shown how food is a crucial aspect of cultural identity

A Companion to the Worlds of the Renaissance Guido Ruggiero, 2008-04-15 This volume brings together some of the most exciting renaissance scholars to suggest new ways of thinking about the period and to set a new series of agendas for Renaissance scholarship Overturns the idea that it was a period of European cultural triumph and highlights the negative as well as the positive Looks at the Renaissance from a world as opposed to just European perspective Views the Renaissance from perspectives other than just the cultural elite Gender sex violence and cultural history are integrated into the analysis

The Infanticidal Logic of Evolution and Culture A. Samuel Kimball, 2007 This book argues that because existence costs the two words are cognates any living thing must economize shift more of its energy costs onto the world including other living things than its competitors are able to that to economize is therefore to engage in exchanges that are sacrificial at their core and that such economization is infanticidal in its ultimate implications A Samuel Kimball is Associate Professor of English at the University of North Florida

Nobility, Faith and Masculinity Emanuel Buttigieg, 2011-04-21 This is an important study of elite European noblemen who joined the Order of Malta The Order functioning in parallel with the convents that absorbed the surplus daughters of the nobility provided a highly respectable outlet for sons not earmarked for marriage The process of becoming a Hospitaller was a semi structured one involving clear cut if flexible social and financial requirements on the part of the candidate and a mixture of formal and informal socialization into the ways of the Order Once enrolled a Hospitaller became part of a very hierarchical and ethnically mixed organisation within which he could seek offices and status This process was delineated by a complex interaction of internal factors hierarchy patriarchy and age set within external mechanisms such as papal patronage and interference This book is innovative in its methodology drawing on a wide range of sources and applying historiographical

approaches not previously brought to bear on the Order The Invention of Sustainability Paul Warde,2018-07-12 The issue of sustainability and the idea that economic growth and development might destroy its own foundations is one of the defining political problems of our era This groundbreaking study traces the emergence of this idea and demonstrates how sustainability was closely linked to hopes for growth and the destiny of expanding European states from the sixteenth century Weaving together aspirations for power for economic development and agricultural improvement and ideas about forestry climate the sciences of the soil and of life itself this book sets out how new knowledge and metrics led people to imagine both new horizons for progress but also the possibility of collapse In the nineteenth century anxieties about sustainability often driven by science proliferated in debates about contemporary and historical empires and the American frontier The fear of progress undoing itself confronted society with finding ways to live with and manage nature **Companion to Historiography** Michael Bentley,2006-02-27 The Companion to Historiography is an original analysis of the moods and trends in historical writing throughout its phases of development and explores the assumptions and procedures that have formed the creation of historical perspectives Contributed by a distinguished panel of academics each essay conveys in direct jargon free language a genuinely international wide angled view of the ideas traditions and institutions that lie behind the contemporary urgency of world history **Companion to Historiography** Michael Bentley,2006-02-27 This Companion presents a clear thematic overview of historiography explored through a series of stimulating and wide ranging articles Compiled by experts in the field the Companion is fully indexed for ease of access
