American Synagogue A Sanctuary Transformed:

The American Synagogue Jack Wertheimer,1995 *The American Synagogue* Jack Wertheimer,1995 Leading historians of modern Jewry offer the first comprehensive account of American synagogue history Synagogue Architecture in America Henry Stolzman,Daniel Stolzman,2004 This full colour publication explores the rich and diverse response to the quest to sustain the Hebrew heritage that has resulted in prominent designs *The Synagogues of Kentucky* Lee Shai Weissbach,2021-11-21 Lee Shai Weissbach s innovative study sheds light on the functioning of smaller Jewish communities in a state representative of many in the Midwest and South The synagogue buildings of Kentucky tell much about the experience of Kentucky Jewry Synagogues especially in smaller towns have often served as the only setting available for a wide variety of communal activities Weissbach outlines the history of every congregation established in Kentucky and every house of worship that has served Kentucky Jewry over the last 150 years considering such issues as the financing of construction the selection of architects the way synagogue buildings reveal congregational attitudes and the way local synagogue design reflects national trends Eighty two photographs show every one of Kentucky s synagogues including buildings that are no longer standing or have been converted to other uses This pictorial record documents the variety distinctiveness and significance of these buildings as a part of the Commonwealth s architectural cultural and religious landscape *The Synagogue in America* Marc Lee Raphael,2011-04-18 Chronicles the history of the Jewish synagogue in America over the course of three centuries discussing its changing role in the American Jewish community *New York Jews and Great Depression* Beth S. Wenger,1999-10-01 Chronicling the experience of New York City s Jewish families during the Great Depression this work tells the story of a generation of immigrants and their children as they faced an uncertain future in America **The Music and Dance of the World's Religions** E. Rust,1996-08-23 Despite the world wide association of music and dance with religion this is the first full length study of the subject from a global perspective The work consists of 3 816 references divided among 37 chapters It covers tribal regional and global religions and such subjects as shamanism liturgical dance healing and the relationship of music mathematics and mysticism The referenced materials display such diverse approaches as analysis of music and dance description of context direct experience observation and speculation The references address topics from such disciplines as sociology anthropology history linguistics musicology ethnomusicology theology medicine semiotics and computer technology Chapter 1 consists of general references to religious music and dance The remaining 36 chapters are organized according to major geographical areas Most chapters begin with general reference works and bibliographies then continue with topics specific to the region or religion This book will be of use to anyone with an interest in music dance religion or culture **Judaism in America** Marc Lee Raphael,2005-12-20 Jews have been a religious and cultural presence in America since the colonial era and the community of Jews in the United States today some six million people continues to make a significant contribution to the American religious landscape

Emphasizing developments in American Judaism in the last quarter century among active participants in Jewish worship this book provides both a look back into the 350 year history of Judaic life and a well crafted portrait of a multifaceted tradition today Combining extensive research into synagogue archival records and secondary sources as well as interviews and observations of worship services at more than a hundred Jewish congregations across the country Raphael s study distinguishes itself as both a history of the Judaic tradition and a witness to the vitality and variety of contemporary American Judaic life Beginning with a chapter on beliefs festivals and life cycle events both traditional and non traditional and an explanation of the enormous variation in practice Raphael then explores Jewish history in America from the arrival of the first Jews to the present highlighting the emergence and development of the four branches Orthodox Conservative Reconstructionist and Reform After documenting the considerable variety among the branches the book addresses issues of some controversy notably spirituality conversion homosexuality Jewish education synagogue architecture and the relationship to Israel Raphael turns next to a discussion of eight American Jews whose thoughts and or activities made a huge impact on American Judaism The final chapter focuses on the return to tradition in every branch of Judaism and examines prospects for the future

'You Should See Yourself' Vincent Brook,2006-07-24 The past few decades have seen a remarkable surge in Jewish influences on American culture Entertainers and artists such as Jerry Seinfeld Adam Sandler Allegra Goodman and Tony Kushner have heralded new waves of television film literature and theater a major klezmer revival is under way bagels are now as commonplace as pizza and kabbalah has become as cool as crystals Does this broad range of cultural expression accurately reflect what it means to be Jewish in America today Bringing together fourteen new essays by leading scholars You Should See Yourself examines the fluctuating representations of Jewishness in a variety of areas of popular culture and high art including literature the media film theater music dance painting photography and comedy Contributors explore the evolution that has taken place within these cultural forms and how we can best explain these changes Are variations in our understanding of Jewishness the result of general phenomena such as multiculturalism politics and postmodernism or are they the product of more specifically Jewish concerns such as the intermarriage continuity crisis religious renewal and relations between the United States and Israel Accessible to students and general readers alike this volume takes an important step toward advancing the discussion of Jewish cultural influences in this country

America's Religions Peter W. Williams,2008 A panoramic introduction to religion in America newly revised and updated
