I made it concise and easy to understand using simple language and a conversational tone This is not a literary book I did not use sophisticated and elaborate language which was unnecessary You will feel that I am chatting with you sharing my ups and downs honestly I designed the book to take readers to success in 12 months However the ideas I offer are not just for one year they are principles that once turned into habits will serve you for a lifetime You may even find that these skills can be transferred to new platforms ones we can only dream about today Let s start this exciting journey with an open mind and passion two critical success factors for your growth Your voice deserves to be heard and your stories can inspire and change lives for the better
