Lung Health Plan Felicia Dunbar, AI, 2025-03-17 Lung Health Plan is your comprehensive guide to understanding and improving your respiratory well-being. It addresses the critical need for proactive lung care given that millions suffer from preventable respiratory issues. The book shares insights into how factors like environmental air pollution and lack of physical activity can significantly impact lung function leading to conditions like asthma or COPD. You'll discover how understanding your breathing mechanics and recognizing early warning signs can empower you to take control of your health. The book emphasizes practical strategies dividing its exploration into three core parts: understanding the respiratory system, optimizing lung health through exercise, physiology, and physical activity, and mitigating the effects of environmental factors. It provides actionable steps to improve breathing techniques and create healthier environments. By drawing from scientific research, clinical trials, and real-world case studies, Lung Health Plan offers a personalized approach to respiratory fitness, helping you breathe easier and improve your overall well-being.

A Plan That Just Fell In Place Preethi Mohan, 2024-01-24 Rohini and Jeeva meet for the first time as awardees at a business award ceremony. During lunch, when their candid pictures are clicked by some journalists, little do they know it will change their lives drastically. By mistake, the photo is published in the local newspaper with the caption that they are husband and wife. This caption triggers a series of actions by both their families, leading to unexpected revelations. A buried past is dug out, waiting for a closure. Right after the award ceremony, Rohini goes on a business trip to Madagascar. But she is stuck in a dangerous situation due to which she misses her flight back to India. Both the families come together to find her. Read on to know more about the stories of Rohini and Jeeva and how their paths intertwine as a series of adventures unfold.
