Black Women for Beginners Sandra Sharp, 1993 Sharp chronicles the trials and triumphs of black women throughout history addresses the challenges African women have overcome and the influences they have had on food and fashion politics and poetry Illustrations Glossary **Chicano Movement for Beginners** Maceo Montoya, 2016-09-13 As the heyday of the Chicano Movement of the late 1960s to early 70s fades further into history and as more and more of its important figures pass on so too does knowledge of its significance Thus The Chicano Movement For Beginners is an important attempt to

stave off historical amnesia It seeks to shed light on the multifaceted civil rights struggle known as El Movimiento that galvanized the Mexican American community from laborers to student activists giving them not only a political voice to combat prejudice and inequality but also a new sense of cultural awareness and ethnic pride Beyond commemorating the past The Chicano Movement For Beginners seeks to reaffirm the goals and spirit of the Chicano Movement for the simple reason that many of the critical issues Mexican American activists first brought to the nation's attention then remain as pervasive as ever almost half a century later
