Blackstones Police Manuals 2006:

Blackstone's Police Operational Handbook: Practice and Procedure Clive Harfield, 2009-08-27 This practical handbook offers guidance on good practice in core policing areas. It draws together practical advice across a wide range of police duties along with extracts and explanations of official policy and guidance from ACPO, the National Policing Improvement Agency and the National Centre for Policing Excellence.

Blackstone's Police Operational Handbook 2013: Law Police National Legal Database (PNLD), 2012-09-13 Blackstone's Police Operational Handbook 2013 is designed specifically to meet the reference needs of officers while out on patrol. Written in a concise and accessible style, it covers a wide range of common offences and clearly explains and interprets the relevant legislation. Using clear and consistent presentation throughout, each chapter offers you a definition of the offence, the points to prove, and a clear system of icons covering police powers and mode of trial. At a glance, you can access everything you need to make a quick informed decision in a host of everyday policing situations. The seventh edition of this highly regarded and successful Handbook is fully updated to include all recent legislative developments and further changes to the law, including Police Reform Social Responsibility Act 2011, the Education Act 2011, the Crime and Security Act 2010, and the Policing and Crime Act 2009. The book also includes information on domestic violence and anti-social behaviour orders, plus further updated guidance in other areas of law from the Home Office Ministry of Justice Circulars. Whatever your role, police patrol officer, supervisor, student police officer, PCSO or Special Constable, this is an invaluable tool for operational personnel.

Dictionary of Policing Tim Newburn, Peter Neyroud, 2013-06-17 Covers the rapidly developing and increasingly professionalized field of contemporary policing with its new emphasis on skills, standards, and knowledge.

Routledge Handbook of Transnational Organized Crime Felia Allum, Stan Gilmour, 2021-11-08 This fully revised new edition provides a definitive and holistic overview of Transnational Organized Crime (TOC) in a world in which right-wing populism has gained ground, trade wars are increasing, climate change is a reality, and Covid poses a challenge for years to come. Updated to reflect the changing world environment, the book includes new chapters on issues such as criminal network analysis, environmental crime, cybercrime, people smuggling, drugs activities in the modern world, the relationship between organized crime and corruption, anti-organized crime resilience, and the effectiveness of the fight against organized crime. New country case studies have also been included. The handbook is presented in six sections: Concepts, theories, and laws; Origins and manifestations; Contagion and evolution; Intensity and impact; Governance; Reaction and future. Truly interdisciplinary in nature, the handbook features contributions from an international team of experts working in different academic disciplines and within varied law enforcement agencies. It will appeal to scholars, policymakers, and practitioners in International Law, Global Governance, International Political Economy, and Security Studies.
