Mountbatten Adrian Smith,2010-04-30 Was he a far sighted war hero or an ambitious networker promoted well above his natural talent Admired as a modernising chief of staff a timely decoloniser and a genuine player on the world stage Mountbatten nevertheless continues to attract fierce criticism In this timely new biography Adrian Smith offers a fresh and convincing perspective depicting Mountbatten as a quintessentially modern highly professional figure within the Royal Navy and at Combined Operations and SE Asia Command a hands on officer who enthusiastically embraced new technology someone who although an aristocrat was by instinct a progressive innovative in his approach to man management Smith brings Mountbatten to life acknowledging the essential qualities as well as the obvious weaknesses Beneath the rich vain often ruthless embodiment of power and privilege could be found a very human even vulnerable character the complex personality of a pivotal figure in the history of twentieth century Britain and her empire

The Mountbattens Andrew Lownie,2021-09-07 The intimate story of a unique marriage spanning the heights of British glamour and power that descends into infidelity manipulation and disaster through the heart of the twentieth century DICKIE MOUNTBATTEN A major figure behind his nephew Philip s marriage to Queen Elizabeth II and instrumental in the royal family taking the Mountbatten name he was Supreme Allied Commander of South East Asia during World War II and the last Viceroy of India EDWINA MOUNTBATTEN Once the richest woman in Britain and a playgirl who enjoyed numerous affairs she emerged from World War II as a magnetic and talented humanitarian worker who was loved throughout the world From British high society to the South of France from the battlefields of Burma to the Viceroy s House The Mountbattens is a rich and filmic story of a powerful partnership revealing the truth behind a carefully curated legend Was Mountbatten one of the outstanding leaders of his generation or a man over promoted because of his royal birth high level connections film star looks and ruthless self promotion What is the true story behind controversies such as the Dieppe Raid and Indian Partition the love affair between Edwina and Nehru and Mountbatten s assassination in 1979

Unsung Hero of the Falklands War Anthony

Cumming,2025-12-30 The contribution of Commodore Michael Clapp has been overlooked when compared with the other senior Falklands commanders and the time is ripe to redress the balance Despite commanding the Amphibious Task Group and being responsible for Operation Sutton the successful San Carlos landing Clapp was overlooked for promotion instead received several snubs including not being allowed a seat at the top tables of public events celebrating this stunning victory Sadly his naval superiors showed no interest in learning the amphibious lessons of the War preferring to focus on supporting the Army in a potential conflict with the Soviet Union in Europe Michael Clapp s career has illustrated many of the corrosive effects of inter service rivalry and the author asks if the military establishment has now lost interest in amphibious operations in their purest form This highly readable and controversial work covers Clapp s distinguished wider career which included

active service in Korea the Cyprus Emergency and the Indonesia Malayan Confrontation where he gained a reputation for decisive action He was an observer and squadron commander in the Fleet Air Arm took command of several warships and served in staff posts playing a crucial role in the introduction of the famous Sea Harrier V STOL strike aircraft before his appointment as Commodore Amphibious Warfare

BRITISH WAR FILMS, 1939 - 45 S. P. Mackenzie,2001-01-01 The cinema was the most popular form of entertainment during the Second World War Film was a critically important medium for influencing opinion Films such as *In Which We Serve* and *One of Our Aircraft is Missing* shaped the British people's perceptions of the conflict *British War Films 1939-45* is an account of the feature films produced during the war rather than government documentaries and official propaganda making the book an important index of British morale and values at a time of desperate national crisis

The Battle for Britain Anthony J Cumming,2015-05-15 *The Battle for Britain* is a provocative reinterpretation of both British air and naval power from 1909 to 1940 Anthony Cumming challenges the view that the Battle of Britain was a decisive victory won solely by the Royal Air Force through independent airpower operations By re-evaluating the early stage of the Mediterranean conflict and giving special emphasis to naval battles such as Calabria and Taranto Cumming argues that the Royal Navy played an equally important role in defeating Hitler's early advances buying critical time until the Americans could make a decisive contribution His argument holds that the RAF's role as an independent arm has been exaggerated and that contemporary strategists can learn from investing too much confidence in independent airpower
