Blessed Are The Cheesemakers:

Blessed Are the Cheesemakers Sarah-Kate Lynch, 2024-09-24 When two lost souls meet on an Irish dairy farm they discover a new life through the magic of cheese in this sensuous and celebratory romance Booklist For decades cheesemakers Corrie and Fee have been producing their world renowned Coolarney Blue from their small farm in County Cork But as they long for retirement they must find the right successors to carry on their rich traditions and secret recipe Abby Corrigan has been estranged from the family farm since her rebellious mother ran off with her when she was a small child Kit Stephens is a burned out New York stockbroker who's down on his luck But that's all about to change now that he and Abby have converged on the farm just in time to help Corrie and Fee Full of delightful characters from dairy cows who only give their best product to pregnant vegetarian teens to an odd collection of whiskey soaked men and broken hearted women who find refuge under Corrie and Fee's roof *Blessed Are the Cheesemakers* is a tender love story that will inspire readers to henceforth eat cheese with a new appreciation for its magical properties Publishers Weekly

BeDADitudes Gregory K. Popcak, 2017-03-03 Internationally known marriage and family expert Greg Popcak draws on more than twenty years as a counselor as well as his own experience as a father to show how the Beatitudes can be viewed as a practical guide to understanding the love of God and applying that love to being a better father In the first book to uniquely focus on the Beatitudes and fatherhood Greg Popcak helps you stop focusing on yourself and instead focus on God learning how to be the father God wants you to be by becoming a servant leader in your home As a father of three children Popcak realized that Jesus' call to be humble in the first Beatitude Blessed are the poor in spirit stands in direct opposition to what modern men learn growing up Instead they are taught they should live a life of unbroken success defined by promotions at work and beautiful wives and honor students at home The Catholic author speaker counselor and radio host will show that when you practice meekness you will connect with your family by asking them questions and listening closely to their responses By practicing mercy you come to know your own sins the difficulties that lie on the path to sainthood and how your family needs to hear about God's grace in their lives In *BeDADitudes* you discover the profound love of God found in the Beatitudes and understand how that love can transform you into being an awesome dad

Living the Lectionary, Year A Geoff Wood, 2004 Geoff Wood's reflections on the Sunday readings make visible scripture's perennial applicability to human experience Through reference to Western literature as well as his life experiences he engages our imagination and helps us to see the wisdom of the biblical word shine forth

Monty Python and Philosophy Gary L. Hardcastle, 2010 Humour

Jesus and Brian Joan E. Taylor, 2015-09-10 Monty Python's *Life of Brian* film is known for its brilliant satirical humour Less well known is that the film contains references to what was at the time of its release cutting edge biblical scholarship and *Life of Jesus* research This research founded on the acceptance of the Historical Jesus as a Jew who needs to be understood within the context of his time is implicitly referenced through the setting of the Brian character within a

tumultuous social and political background This collection is a compilation of essays from foremost scholars of the historical Jesus and the first century Judaea and includes contributions from George Brooke Richard Burridge Paula Fredriksen Steve Mason Adele Reinhartz Bart Ehrman Amy Jill Levine James Crossley Philip Davies Joan Taylor Bill Telford Helen Bond Guy Stiebel David Tollerton David Shepherd and Katie Turner The collection opens up the Life of Brian to renewed investigation and in so doing uses the film to reflect on the historical Jesus and his times revitalising the discussion of history and Life of Jesus research The volume also features a Preface from Terry Jones who not only directed the film but also played Brian's mum

The Effect Linda Hoy, 2012-09-16 Where science and spirituality join forces *The British Jesus, 1850-1970* Meredith Veldman, 2022-04-05 The British Jesus focuses on the Jesus of the religious culture dominant in Britain from the 1850s through the 1950s the popular Christian culture shared by not only church kirk and chapel goers but also the growing numbers of Britons who rarely or only episodically entered a house of worship An essay in intellectual as well as cultural history this book illuminates the interplay between and among British New Testament scholarship institutional Christianity and the wider Protestant culture The scholars who mapped and led the uniquely British quest for the historical Jesus in the first half of the twentieth century were active participants in efforts to replace the popular image of Jesus in a white nightie with a stronger figure and so they hoped to preserve Britain's Christian identity They failed By exploring that failure and more broadly by examining the relations and exchanges between popular artistic and scholarly portrayals of Jesus this book highlights the continuity and the conservatism of Britain's popular Christianity through a century of religious and cultural transformation Exploring depictions of Jesus from over more than one hundred years this book is a crucial resource for scholars of British Christianity in the nineteenth and twentieth centuries It's a Miracle!? Clay Farris Naff, 2018-08-28

Fundamentalist Christians often use the Bible as a guide to the natural world which inevitably leads them to reject much of what modern science says about the universe But what if we were to use modern science as a guide to the Bible What might a scientific reading of the Bible tell us not only about religion's claims but also about nature and our place in it If God really did part the Red Sea how might he have engineered such a feat If Jesus really did raise Lazarus from the dead under what circumstances might it have happened In this witty and informative book science writer Clay Farris Naff brings the miracles of the Bible into sharp focus through the lens of modern science Whether you're a religious skeptic or a true believer you'll find what comes into view is mind bending thought provoking and even amusing and you'll likely be left even more amazed and entranced by the universe we live in

Creating Jesus Dennis Kennedy, 2024-10-15 Creating Jesus is a book for general readers on the Gospel of Mark as the earliest surviving witness of the life of Yeshua of Nazareth Dennis Kennedy applies his expertise in literary and performance studies to examining Mark as a literary and historical document and describes in straightforward style how it differs from the other Gospels what it meant in its time and how it has been used in history He investigates the oral Jesus tradition before Mark the radical act of writing about a crucified preacher from the

hinterland the expansion of the Messiah cult in the Roman Empire and the character of the faith that the earliest Gospel proposes Interspersed with incidents from Kennedy's own education *Creating Jesus* seeks to reveal why Mark was written the great influence it has had and how it might question the nature of Christianity in the present Eating Culture Ron Scapp, Brian Seitz, 1998-07-16 Eating has never been simple and contemporary eating practices seem more complicated than ever demanding a multidimensional analysis that strives not for a reductive overview but for a complex understanding Eating Culture offers a number of diverse outlooks on some of the prominent practices and issues associated with the domain of eating in contemporary culture Lavishly illustrated with nineteen photographs and eleven historical postcards the book brings to bear contemporary interdisciplinary thinking on a topic that has been widely but not critically discussed in the media Contributors include Carol Adams Marianna Beck Susan Bordo Priscilla Ferguson Joanne Finkelstein Dianna Fuss Deborah R Geis bell hooks David F Krell Steven F Kruger Alfonso Lingis Mary Lukanuski Gary Paul Nabhan Ed Schiffer Stephen Steinberg Jeff Weinstein Allen S Weiss Doris S Witt and Sharon Zukin
