A Historical and Biblical Study of Posttribulationism

Blessed Hope And The Tribulation

George Eldon Ladd

Blessed Hope And The Tribulation:

The Blessed Hope George Eldon Ladd, 1956 Jesus Christ is coming again That is the Blessed Hope which has since the earliest days of the Church energized Biblical Christians looking for the full revelation of God's redemption The author sketches the history of interpretations of Christ's second coming and then carefully and lucidly examines the Biblical passages on which this doctrine is based His conclusion is that the Blessed Hope is the second coming of Jesus Christ not a pretribulation rapture that believers in a secret coming of Jesus Yet he concludes that there should be liberty and charity within the Christian community for all who hold to the expectation of the blessed hope and appearing in glory of our great God and Saviour Jesus Christ

Our Blessed Hope Baruch Korman, 2019-07-31 Do you know what Our Blessed Hope is Most believers in the Messiah do not This term is found in Titus 2:13 and is the Biblical name for the Rapture What most people know about the Rapture is what they have heard other people say Isn't it time for you to read the relevant Scriptures for yourself In this short and easy to read booklet Baruch Korman discusses the primary passages that deal with the Rapture and demonstrates what the Word of God truly states about this wonderful promise from Yeshua Jesus There are important questions which demand answers for example Is the last seven years of tribulation all God's wrath What is the Abomination of Desolations and why is this event mentioned in regard to the end To what end is Yeshua referring when He states that the Gospel of the Kingdom must be proclaimed throughout the world then the end will come Paul speaks about the Day of Messiah Christ Is this the same thing as the Day of the Lord These questions and more will be addressed in an understandable manner that will leave the reader with a Biblical comprehension of the Rapture

The Blessed Hope and the Tribulation John F. Walvoord, 1976 Eschatology is a crucial theological issue in our day The rapture question has particular importance in premillennial eschatology This volume confronts that question Does the rapture of the church precede or follow the Great Tribulation In this book Dr John F Walvoord examines the post tribulationist viewpoint and calls into question its exegetical grounds and hermeneutical validity The author examines four schools of thought within posttribulationism and challenges point by point the arguments of their leading exponents This scholarly apologia of the events relating to the second coming of Christ reaffirms the author's conviction that pretribulationism provides the best interpretation of the biblical evidence and demonstrates the most reliable understanding of the Christian's assurance of the blessed hope

Precepts of the Blessed Hope Don Mills, 2009-05 The blessed hope of the church is under attack from many sides In this startling new treatise on the end times Don Mills answers the hard questions concerning the rapture of the church At the very heart of this timeless work is the strong underlying support for a pre tribulation rapture of the church Precepts of the Blessed Hope uses eye opening typology to biblically answer many of the positions put forward Because the spirit of this age is to destroy our Christian faith Christians should be thoroughly educated concerning the Precepts of the Blessed Hope Wanting to bring the church of Jesus Christ comfort Don Mills explores the issue of end times prophecy of

which there is only one conclusion Now with a lifetime of study Don Mills has shared his passion for the myriad of types in the Bible that point to the pre tribulational rapture of the church Don is not a crusader for some new theology but rather a careful student of the Bible who writes with conviction and obvious respect for God s Word Using typology he guides us to answers that have escaped many about the program of God for our future Dr Woodrow Kroll President Back to the Bible International What an appeal within the fold of Christ this book is I was amazed as I read how God s plan suddenly seemed much clearer and new light flooded over many things that had previously lingered in the shadows It s a must read for His church Anne Hughes Good News Club

The Blessed Hope of the Church J.L. Reintgen, 2013-06 Philippians 3 20 21 For our citizenship is in heaven from which we also eagerly wait for our Savior the Lord Jesus Christ who will transform our lowly body that it may be conformed to His glorious body according to the working by which He is able even to subdue all things to Himself The Blessed Hope of the Church is the church s glorification and departure from the earth It is the event by which the Son of Man brings many sons to glory Hebrews 2 10 This is not a made up doctrine contrived by the thoughts of man All biblical principles and truths speak of the validity of this teaching and its occurrence before the coming tribulation For the believer church the rapture is its sure and steadfast hope its constant expectation

The Return Thomas Ice, Timothy J. Demy, 1999-02-01 Foreword by Charles C Ryrie This work presents a biblically based reasoned examination of the second coming

The Blessed Hope George Eldon Ladd, 1990-03-20 Jesus Christ is coming again That is the Blessed Hope which has since the earliest days of the church energized biblical Christians looking for the full revelation of God s redemption But even among those who have most devoutly looked forward to the second coming of the Lord there have often been disputes about its nature At their sharpest these disputes can lead to the breakdown of fellowship among those who should be standing firmly together against unbelief Through its many printings this book by George Eldon Ladd has proved to be a helpful guide for Christians who want to discern clearly the basic biblical teachings about the Blessed Hope Writing not for his fellow scholars as much as men and women in the pews Ladd whose numerous studies of New Testament interpretation earned him the reputation of being one of contemporary evangelicalism s leading thinkers sketches the history of interpretations of Christ s second coming and then carefully and lucidly examines the biblical passages on which this doctrine is based Ladd s conclusion is that the blessed hope is the second coming of Jesus Christ not a pretribulation rapture of believers in a secret coming of Jesus Yet he concludes too that there should be liberty and charity within the Christian community for all who hold to the expectation of the blessed hope and appearing in glory of our great God and Savior Jesus Christ

That Blessed Hope, a Post-tribulation Event!, Ralph W. Ullmann, 1937

Rapture of the Church Michael E. Pfeil, 2013-11-12 WHAT Would this headline mean we ve missed the Rapture Absolutely Not In light of the rampant evil permeating so much of our world few would deny that Daniels seventieth week appears to be rapidly approaching Even so we are secure in Gods promise that we will be taken to heaven prior to His end time judgments BUT Do the Lords judgments

begin with the peace treaty Surprisingly NO The Bible does not tell us when we will be raptured but it does tell us what must happen prior to that glorious event There are no hidden secrets to understanding end times prophecy It is astounding how clear the Scriptures are If you have been taught the Pretrib Rapture position a second look is in order Walk with Mike through Old and New Testament passages that shed light on the timing of the Rapture and its relationship to the seven sealed scroll of Revelation The Rapture: from the Ground Up Richard L. Guthrie, 2014-04-11 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of Gods Word
