2001 On The Edge Of Eternity:

On the Edge of Eternity Ivano Dal Prete, 2022 On the Edge of Eternity overturns the paradigm of the eighteenth century discovery of geological time showing that the antiquity of our planet was a widespread and culturally acceptable notion in pre 1800 Europe In this ground breaking study Ivano Dal Prete brings to life a long forgotten world in which the biblical story of the creation and of the Flood was only one among many doctrines that could be freely taught and discussed University scholars and students artists like Leonardo da Vinci and the readers of easily accessible vernacular books envisaged painted and debated an ageless Earth scarred by innumerable deluges raised and submerged continents annihilated and resurgent humanities Rather than discover deep time the eighteenth century erased its rich and complex history replacing it with a simplistic account that suited its political agendas and still informs our culture On the Edge of Eternity invites the reader to revisit engrained beliefs on the relationship of science and religion the history of the Earth sciences and the cultural assumptions that have underpinned the modern controversy on young Earth creationism

Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more *The Left Behind Fantasy* William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense *ARMAGEDDON: An Eschatological Response To Bart Ehrman* Craig Lantz, ThD, PhD, 2025-08-16 This book is entitled ARMAGEDDON is a theological and critical response to none other than Dr Bart

Ehrman Professor Ehrman questions whether or not the Jesus as presented in the book of Revelation is the same Jesus that is presented in the Gospel accounts He concludes that these are two separate versions of Jesus Therefore the book of Revelation does not represent the Jesus of the Gospels The God of Revelation is a mean wrathful vindictive and blood thirsty God This Jesus in Revelation is not at all merciful forgiving and peaceful There are serious claims and this book is a response to these pejorative claims In this book the author will explain that Jesus is not just a one dimensional being The author will explain the fullness of what Jesus spoke of in the Gospels that will acquit Him of these pejorative charges This book will defend the integrity and character of the Lord Jesus Christ and present the full picture of His nature and character The prophetic passages and parables that Jesus spoke of will find their ultimate fulfillment in the book of Revelation Rather than seeing the book of Revelation as a book that should not have been included in the New Testament the author argues that Revelation is the final capstone and fulfillment of everything Jesus said about Hell and fire in the Final Judgment The righteous have nothing to fear The wealth of the wicked in the Babylon of Revelation is stored up for the righteous Our God will be vindicated and acquitted of these criminal charges that indict His character of love mercy and forgiveness Professor Ehrman an adversary of the truth will be knocked off his ivory tower and proven wrong about his claims and conclusions about Jesus

Consummation of the Ages vol III Henry Epps,2012-08-29 Consummation of the ages vol III deals with the subjects of demons devils and false messiahs and the growing apostasy in the christian churches **A Modern Ninety-Five** Nancy A. Almodovar,2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God s grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God s blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike Two Thousand and One Jack Van Impe,1996 Argues that the signs of the times and the end of the age spoken of in the Bible are being revealed before our eyes **Encyclopedia of Contemporary Christian Fiction** Nancy M. Tischler,2009-09-10 A biographical encyclopedia of American and British Christian themed writers from World War II to the present covering acclaimed literary works and popular evangelical fiction Encyclopedia of Contemporary Christian Fiction From C S Lewis to Left Behind spans

the entire breadth of Christian themed British and American writing from World War II to the present well known and less familiar authors acclaimed literary novels and popular writing in a variety of genres mysteries thrillers romances works that explore matters of faith works that challenge orthodoxy and church practices and works wholly written by and for devout evangelicals Encyclopedia of Contemporary Christian Fiction offers 90 alphabetically organized entries covering the field s most important writers Each entry includes a brief biography religious and educational background a survey of major works and themes and a summary of critical response as well as a bibliography of major works and criticism By examining evocative sometimes overlooked Christian elements in modern fiction and by exploring the depth and scope of popular evangelical fiction Encyclopedia of Contemporary Christian Fiction offers the richest most complete portrait of the role of faith in modern English writing ever published **Charisma and Christian Life** ,1999 *Origins and Grand Finale* Gary

Haitel,2014-05-15 *Origins and Grand Finale* presents an in depth study of how modern science and astronomy compare to the biblical narrative of the origin of the universe as well as the origin of life Distinguishing between scientific facts and fairy tales as well as biblical facts and poetry author Gary Haitel attempts to build a perfect harmony between science and theology In *Origins and Grand Finale* Haitel is not proposing new scientific theories Instead he merely examines current scientific theories however bizarre they may seem and explains how they relate to the biblical narrative The second part of this guide focuses primarily on biblical end times and the abuse of political authority In the third part Haitel reflects upon not only the finale of humanity as described in the Bible but also the finale of an individuals physical life here on earth and what to expect after the body returns to the dust of the earth Are we just complex biological accidents or are we immortal spiritual eternal beings Written in a straightforward down to earth fashion *Origins and Grand Finale* offers a unique opportunity to understand the perfect harmony between science and theology
