catalogue made by collectors for collectors This year the Spink Maury Catalogue heir to the prestigious Maury Ceres and Dallay catalogues continues its work of research compiled over generations of philately It covers all French stamps from 1849 to the present day offering hundreds of changes with oddities new varieties and discoveries presented as always in an exceptional way Included in the new material is the continuation of the monographic studies presenting a stamp per page with all varieties known until the First World War a redesign of types Merson and Pasteur and a specialised part devoted to Marianne de Beaujard reviewed in depth In addition the section on current usage stamps TUC is fully updated following feedback from our contributors and readers France has one of the most beautiful philatelic legacies in the world and we are

pleased to be its modest ambassador to the numerous international readers who join us each year Layout and coverage are sumptuous The trite phrase mine of information does not begin to do justice to this immense achievement To any collector of France beyond the elementary stage this would be a bargain at twice the official retail price Highly recommended an absolute must for collectors of French stamps Michael Round Journal of the France Colonies Philatelic Society Chien d'or/The Golden Dog William Kirby, Mary Jane Edwards, 2012-03-23 William Kirby's *Le Chien d'or* or *The Golden Dog* a dramatic historical romance that vividly details the intertwined French and English foundations of Canada is one of the nation's best known pieces of nineteenth century literature A complicated publishing history however resulted in severe distortions of the text so that each edition of the novel moved further from the author's original vision Now in the final work produced by the Centre for Editing Early Canadian Texts at Carleton University editor Mary Jane Edwards returns this beloved piece of literary history to its intended form First published in 1877 *Le Chien d'or* draws upon the threads of legend spun around the real life tablet of the Golden Dog which can still be seen in Quebec City The novel's author William Kirby begins his tale in the 1740s with the murder of the prosperous merchant who lived in the house that bore the tablet and brings his work to a tragic end that coincides with the destruction of France's North American empire Weaving historical literary and religious allusions together with a powerful lyricism *Le Chien d'or* develops an epic narrative of the heroic past and promising future of the Dominion of Canada Though many versions of *Le Chien d'or* have been published in both French and English very few people have read what the author intended to see in print This edition brings Kirby's unfulfilled legacy full circle by presenting a critically reliable version of his iconic Canadian novel **Educational Media Index.[Complete Series]** ,1964
