

Three Stanzas For Love

**I) our thoughts and laughter
drowned in blood
to the organs of stone
which can't be wrapped
with the skin of a cold snake
I was like a naked stone
and she was trembling in my coldness
when we were going besides the shaded leaves
no stone has talked about grief**

**and just there
it was love!**

**II) they say death is painful tough
but for me death is easy
and it's easier
when you die at someone Else's expense
and the expense is
love!**

III)

**I smile alone
sometimes I cry
in a rain drenched night
I often accompanied by thousand and one dreams
the golden ship of dream**

**have you looked through the window?
to see the deer colored sky?
have you walked that road
to feel the fragrance of a late blooming flower
have you seen the last sunrise?
to know that there is still hope.....**

if yes then,

**we(you and I) must know
if death comes,
it comes second
and what comes first is.....
love!**

3 Shades Of Poetry:

3 Shades of Poetry The Great One Monquial Chatman,2005-03 This is the first of two books focusing upon the theme Religion Ought to Make Sense Each book can stand alone It examines generic religion and points out the fact that there is great joy in discovering one s own spiritual self It challenges the reader to develop a spiritual relationship with the highest Divinity they can find It is aptly named The Joy of Spiritual Discovery The second book examines several popularly held views of the need for salvation and the efficacy of faith in effecting it It is aptly named Salvation and Faith A Concordance to the Poems of Edmund Spenser Charles Grosvenor Osgood,1915 *The Poems of W.B. Yeats* Peter McDonald,2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet This first volume collects Yeats s poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse The pastoral romance of classically inflected early work like *The Island of Statues* is succeeded in these years by the Irish mythic material that finds its largest canvas in the mini epic *The Wanderings of Oisín* In Yeats s work through the 1880s an adolescent poet s youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism This edition allows readers to see Yeats s emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo Irish poetry of the nineteenth century The commentary provides an extensive view of Yeats s developing personal cultural and historical worlds as the poems gain in maturity and depth From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as *The Lake Isle of Innisfree* Yeats s poetry is displayed here in unprecedented fullness and detail The Poetry Circuit Peter B. Howarth,2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promoters *The Poetry Circuit* tells the story of how poets met their audience again and how the feedback loops between their voices the

venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore s accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as John Ashbery s anti charismatic Poets Theatre Amiri Baraka s documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do

Poet Lore ,1900 *Sun and Shade. [Poems.]* Marion Paul Aird,1860 *The Poems of Percy Bysshe Shelley* Percy Bysshe Shelley,1911 Selected Poems Rabindranath Tagore,2005-03-31 The poems of Rabindranath Tagore 1861 1941 are among the most haunting and tender in Indian and in world literature expressing a profound and passionate human yearning His ceaselessly inventive works deal with such subjects as the interplay between God and the world the eternal and transient and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies Poems such as Earth and In the Eyes of a Peacock present a picture of natural processes unaffected by human concerns while others as in Recovery 14 convey the poet s bewilderment about his place in the world And exuberant works such as New Rain and Grandfather s Holiday describe Tagore s sheer joy at the glories of nature or simply in watching a grandchild play **Journey to My Identity: From a Poetic Standpoint** Jazmin Wilson,2009-07-01 Journey to My Identity From a Poetic Standpoint is a collection of poems written by Jazmin Wilson These poems highlights her tough times and her happy times They illustrate her many thoughts as she journeys though life as a young adult She allows you to experience her journey along with her by writing down her deepest thoughts forming them in to poems **Ephraim's Breite** Carl Hauptmann,1900
