3 Wise Men:

The Real Story Of The 3 Wise Men Mitch Wielock,2021-07-10 It is a common misconception that the wise men visited Jesus at the stable on the night of His birth In fact the wise men came days months or possibly even years later That is why Matthew 2 11 says the wise men visited and worshiped Jesus in a house not at the stable We know that the magi were wise men from the East most likely Persia or modern day Iran This means the wise men traveled 800 to 900 miles to see the Christ child In this book the author uses ancient descriptions social science and biblical events to provide thoroughly researched chapters discussing their names ages lineage language physical descriptions homelands dress how they met the gifts they each gave to the baby Jesus and much more Utilizing the eyewitness account as put forth in the visions of a nineteenth century nun named Anne Catherine Emmerich this book helps dispel many of the beliefs and confirms many of the legends regarding these three famous travelers The story of the three wise men is a complex one and Dagee s journey to find them is fascinating and engaging For fans of Brent Landau s Revelation of the Magi this compelling work is a valuable resource for anyone interested in ancient manuscripts history and geography as well as the Bible s Epiphany 15 *37 Catholic Classroom Crafts--in 20 Minutes Or Less!* Nicole T. See how writer extraordinaire Orlando Fioravanti draws on his over 15 years of spiritual study into the Bible and his personal relationship with our Lord and Savior Jesus Christ and outlines for you from the Bible the shocking and eye opening truth of the name of the real mastermind behind the plot to murder baby Jesus on the first Christmas See how knowing this emerald of truth can unlock God's message for you a message that will change your life for the better and give you a closer relationship with God today tomorrow and perhaps forever
